Dear Parent/Guardian

This year seems to have flown by as we now prepare for the summer holidays. The year has seen much success here for the school and the students.

The new astro pitch was laid at the start of the year, and we were delighted to open our new administration building. Alongside this, we celebrated students achieving the highest grades in A Level English Literature, and History, as well as the highest mark for A Level French in the UAE. To top it off, we saw one student gain the highest French GCSE mark in the world too! This summer's exams forecast is no different and we are looking forward to sharing these results at the start of the new academic year.

The school has also been recognised by the Crown Prince's Office, for our work in the Morality Programme, and I had the honour of being invited to the Crown Prince's Palace for a special lecture and iftar with him during Ramadan.

I am also delighted to announce that the school is growing, not just in popularity, but physically too over the break, as we are preparing the ground to build a new 560 seat auditorium as well as a brand new primary building for Years 3 to 6. This is a very exciting time for the school as I enter my fourth year and continue to watch the students thrive and flourish.

Please note that there is a small increase in school fees for the next academic year. Attached are the new fees as permitted by ADEK, and can I remind you that we start back to school on the 2nd September.

I would like to thank you all for your continued support.

Wherever you find yourselves this summer, I hope you have a safe and enjoyable break.

Yours sincerely
