Year 3 Learning Pathway

Week beginning: 2.9.24

*Dear Parents,*

Welcome to the first Y6 learning pathway of this year. It has been lovely to see all the children settle into their new year groups, classes and daily routines. This is also the perfect opportunity to extend a warm welcome all our new students and their families.

Each week, this year group newsletter aims to inform you about what the students will be learning each week, share relevant key information about the week ahead and provide contact details for the class teachers.

We look forward to working in partnership with you this year to ensure we make this school year of growth, learning, and happy memories!

## Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.
