Year 3 Learning Pathway

Week beginning: 9.9.24

Dear Parents,

It has been fantastic to continue to welcome the children into school this week. We are very proud of how well the children have settled into the Year 3 routines with their new teachers and are looking forward to a wonderful year ahead together!

Our programme of Enhanced Curriculum Provision (ECP) will begin again from Monday 9th September. Please try to arrive promptly at either 2.30pm to collect your son/daughter if they are not attending an activity or promptly at 3.20pm on the days when your child will stay in school to take part in their chosen activity. Kindly note that the gates will close 20 minutes after opening.

If you have not yet signed up for an ECA, please use [this link](#) to sign your child up. Please note that there is a maximum capacity for all clubs.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

We will begin to learn part of the text and predict along the way what might happen next. Our focus will be on noun phrases and expanded noun phrases and how to write our own.
Science	In science, our topic will be animals, including humans. We will begin our topic by looking at the different food groups and sorting foods into the correct groups.
