Year 6 Learning Pathway

Week beginning: 16.9.24

Dear Parents,

As you know, we are currently running our **20 day Wellbeing initiative**, where we are challenging the children and ourselves to take some time each day to take care our wellbeing.

We would love you to send us some photos and/or videos of your children at your family taking part in some of the activities so we can share them!

All children should now have access to their School Gmail account and their class' Google Classroom. Each week, your teachers will add learning resources to be used at home as revision, if you would like to. If you have not received an invite or are struggling accessing this account, please feel free to contact your class teacher who will be able to help you.

Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.
