Year 6 Learning Pathway Week beginning: 23.9.24

Dear Parents,

As you know, we are currently running our **20 day Wellbeing initiative**, where we are challenging the children and ourselves to take some time each day to take care our wellbeing.

It has been great to see so many of the Year 6's getting involved in this challenge. If you have any photos of your children completing the wellbeing challenge, please send photos to your child's class teacher.

We would like to remind all parents that due to health and safety reasons, children should not be coming to school with a wheely bag. They do not fit in the lockers so therefore pose as a safety hazard in the corridors. This message was sent in the Year 6 welcome letter at the start of the school year.

Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.
