Year 3 Learning Pathway

Week beginning: 30.9.24

Dear Parents,

Global Be Well Day has been a special opportunity for everyone in the Cognita community to focus on the importance of wellbeing as individuals, schools and a global family. This year's theme was giving and we hope you enjoyed reading the message students prepared for you.

Global  
Be Well  
Day COGNITA

As you know, we have now finished our **20 day Wellbeing initiative**, where we challenged the children and ourselves to take some time each day to take care our wellbeing.

It has been great to see so many of the Year 3's getting involved in this challenge. If you have any photos of your children completing the wellbeing challenge, please send photos to your child's class teacher.

## Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

Please be reminded that if your child is unwell and has a temperature/fever of 38°C and above, (Department of Health Directive) they should stay at home until they are symptom free and without medication for a minimum of 24 hours. Contact your doctor if you have any concerns with fever-like illnesses. Nurses are happy to provide guidance, please email [schoolnurse@aaess.sch.ae](mailto:schoolnurse@aaess.sch.ae).

## Year 3 learning:

**Week beginning: Monday 30th September 2024**

<b>Maths</b>	This week we will be learning how to add and subtract 10 to a given number, and then how to add and subtract 100. The children will also be exploring rounding to the nearest 10 and 100.
<b>English</b>	The children are continuing their own version of The Greenship, learning how to plan and write up the final two paragraphs. They will be developing their editing skills by using purple pen to improve their word choices and add in any missed punctuation.
<b>Science</b>	This week we will be exploring the human skeleton and why we need bones and muscles. The children will be learning how to identify some of the names of the bones in the human body. We will be learning new vocabulary (endoskeleton, exoskeleton and hydrostatic skeleton) and exploring which animals have a skeleton and which don't.
<b>Integrated Curriculum</b>	For the next two weeks, we will be doing Design and Technology (food technology). Tasting products, designing, making and evaluating a sandwich that could be eaten on the green ship.

# AAESS Values

# Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
