Week beginning: 23.9.24

Dear Parents,

Global Be Well Day has been a special opportunity for everyone in the Cognita community to focus on the importance of wellbeing as individuals, schools and a global family. This year's theme was giving and we hope you enjoyed reading the message students prepared for you.

Global
Be Well
Day COGNITA

As you know, we have now finished our **20 day Wellbeing initiative**, where we challenged the children and ourselves to take some time each day to take care our wellbeing.

It has been great to see so many of the Year 3's getting involved in this challenge. If you have any photos of your children completing the wellbeing challenge, please send photos to your child's class teacher.

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.
