Year 1 Learning Pathway

Week beginning: 7.10.24

Dear Parents,

Thank you so much to all the children and parents who participated in the 20 Days of Wellbeing Challenge. It has been great to see so many of the children taking part in the activities.

Please be reminded that this week the Term 1 Primary Parent-Teacher Meetings will be held, in your child's classroom, at school, on **Wednesday 9th October and Thursday 10th October between 2.50pm and 5pm**. Please contact your child's class teacher if you did not receive a signup sheet.

Due to these scheduled Parent-Teacher Meetings, our programme of **Extracurricular Activities (ECAs)** will **not** take place on **Wednesday** or **Thursday** this week. However, if you are unable to collect your child on these days at 2.30pm, alternative provision will be in place.

Contacting Year 1 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 1 learning:

Week beginning: Monday 7th October 2024

This week, we will continue with our text 'Lost and Found' by Oliver Jeffers and will be 'talking the text' using actions that we have created together. We will then use our ideas from last week to write sentences showing changes with our own ideas to different parts of the story.

In maths, we will continue with our numbers work and learn our number bonds to 10. We will start the week by understanding what a number bond is. We will then learn the various number bonds to 10 and the numbers that add together to make these. We will end the week looking at fact families for numbers to 10.

In phonics, we will revisit the sounds that we have looked at so far this term. We will be learning to identify, form and read words using these, as well as challenging ourselves to write them in words and sentences.

In science we will be learning about our 5 senses with a focus on the sense of smell. We will use our sense of smell to identify different everyday scents and be encouraged to explain our reasoning to our thoughts.

1B, 1C & 1D	Monday	Wednesday
1E & 1F	Tuesday	Wednesday
