

# Al Ain English Speaking School

*Year 2 Learning Pathway*

*Week beginning: 7.10.24*

*Dear Parents,*

Thank you so much to all the children and parents who participated in the 20 Days of Wellbeing Challenge. It has been great to see so many of the children taking part in the activities.

Please be reminded that this week the Term 1 Primary Parent-Teacher Meetings will be held, in your child's classroom, at school, on **Wednesday 9th October and Thursday 10th October between 2.50pm and 5pm**. Please contact your child's class teacher if you did not receive a signup sheet.

Due to these scheduled Parent-Teacher Meetings, our programme of **Extracurricular Activities (ECAs)** will **not** take place on **Wednesday** or **Thursday** this week. However, if you are unable to collect your child on these days at 2.30pm, alternative provision will be in place.

## *Contacting Year 2 Teachers:*

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

Please be reminded that if your child is unwell and has a temperature/fever of 38°C and above, (Department of Health Directive) they should stay at home until they are symptom free and without medication for a minimum of 24 hours. Contact your doctor if you have any concerns with fever-like illnesses. Nurses are happy to provide guidance, please email [schoolnurse@aaess.sch.ae](mailto:schoolnurse@aaess.sch.ae).

## Year 2 learning:

### Week beginning: Monday 7th October 2024

<b>Maths</b>	In maths, the children will continue to learn about 'Addition and Subtraction'. This week, they will consolidate their knowledge of comparing related addition facts, such as: $7 + 2 = 9$ and $70 + 20 = 90$ . Following this, they will use their number bonds to 10 knowledge and apply it to finding number bonds to 100. For example, $3 + 7 = 10$ so $30 + 70 = 100$ . Next, the children will learn to add and subtract ones. This will involve first learning to add and subtract 1 from a 2-digit number before moving onto adding and subtracting 1-digit numbers from a 2-digit number (without crossing the 10). For example: $23 + 1$ and $23 - 1$ before moving onto $23 + 4$ or $27 - 6$ . The children will also be encouraged to notice patterns within this lesson. At the end of the week, the children will complete a short hot task so that we can assess their understanding of what they have been taught so far.
<b>English</b>	In English, the children will write the remaining sections of their innovated story, which is inspired by 'The Lighthouse Keeper's Lunch'. They will continue to develop their independent writing skills by making sure that sentences are punctuated correctly and include adjectives. We will also encourage the children to edit and improve their work using a purple pen.  We would like to request that each child bring in a book of their choice to read each day.
<b>Science</b>	In science, the children will learn about how animals and humans have offspring which grow into adults, with a focus on life cycles. When learning about the human life cycle, they will use words, such as: baby, toddler, child, teenager and adult.
<b>Integrated Curriculum</b>	Our 'Hero Dress Up Day' is on Friday (11th October). On this day, the children are invited to come into school dressed up as one of their heroes. For inspiration, some of the heroes that we have been learning about in class include: doctors, fire firefighters, police officers, scientists, astronauts, superheroes and Sheikh Zayed. Furthermore, in art, the children will create their own 'Pop Art' artwork using pastels.

# Upcoming Events:

## Parent Workshop

**Wednesday 9th October 2pm**

We value your continued support in working together to ensure your child makes the best progress. Therefore our next parent workshop is 'Reading with Monster Phonics'. This workshop aims to provide you with information about the Monster Phonics scheme, ways we teach, and advice, explaining how best to support your child.

To celebrate the success of our 'We Could Be Heroes' topic, the Year 2 students are invited to come into school dressed up as one of their heroes on **Friday 11th October 2024**.

# HEROES DAY

# AAESS Values

## Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others.
- Demonstrate respect for their friends, their families and all school staff.
- Celebrate different skills, achievements and interests.
- Speak appropriately when communicating with others.
