

Al Ain English Speaking School

FS2 Learning Pathway
Week beginning: 11.11.24

Dear Parents,

Our **Anti-Bullying week** is scheduled for this week and each day the students will have an opportunity to respect each other, celebrate their uniqueness and show kindness towards others.

Throughout the week, the children will take part in a range of activities including: wearing odd socks to school on Tuesday 12th November and wearing their own clothes in their favourite colour to school on Friday 15th November. This year's theme is 'Choose Respect' and is aimed at empowering us all to do something positive.

Our Term 1 Values

Respect Tolerance

This year, the campaign supports our commitment to our Term 1 values of respect and tolerance. Please use the poster in this newsletter and information in the 'Upcoming events' section to find out more about all the events and activities planned.

Contacting FS2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

FS2 learning:

Week beginning: Monday 11th November

This week in Literacy, we will be using everything we have learned in our Supertato journey to write simple captions about the characters. .

We have now learned all of the phase 2 sounds in our phonics lessons. We will be recapping all of the sounds this week, before we move on to phase 3. [Pure speech sounds and actions](#)

In Maths this week we will be learning about the composition of number 5. Composing a number is putting together two numbers (two parts) to make a larger number (whole), like joining 1 and 2 to make 3. To decompose a number is to break that number (whole) into parts to make smaller numbers.

In Understanding the World, we will continue to make observations as our plants grow, measuring and drawing the differences we notice.

In our Prime Areas of learning, we will continue to explore expressing our feelings and considering the feelings of others, linking this to our Supertato story.

In Expressive Arts and Design this week, we will return to and build previous learning, refine our ideas when exploring and variety of tools and techniques.
