*Year 3 Learning Pathway
Week beginning: 02.12.24*

Dear Parents,

It was really lovely to see so many of you at our National Day event last week. We are incredibly proud of all the children who performed and grateful to all the parents and staff who generously contributed to the day and helped with the planning and preparations. Please be reminded, that due to the UAE's National Day Public Holiday, school will be closed Monday 2nd and Tuesday 3rd December. School will resume as normal from Wednesday 4th December. We trust you will have a restful and enjoyable 53rd National day holiday.

This year, KS2 Sports Day (Y3, Y4, Y5 & Y6) will be held at the Al Ain Rugby Club. This is a great opportunity for the children to compete in fun, energetic sporting activities and support our initiatives to promote healthy lifestyles. Further information will be emailed to parents with all the relevant information and timings.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 3 learning:

Week beginning: Monday 2nd December 2024

Maths	In maths we are moving on to 'Statistics'. The children will be learning how to read and present data through tables, pictograms and bar charts. They will be collecting data and drawing their own pictograms to show the results they have collected. Towards the end of the week there will be an assessment on everything taught this half term.
English	In English we are going to be learning how to use our advert plan to write up our own persuasive advert independently. The children have chosen an attraction and will be encouraged to include boastful language, appealing adjectives, alliteration, rhetorical questions and exaggeration to make their advert appeal to its audience.
Science	In science we will be learning about the fascinating plant life cycle. They will explore how a plant begins as a seed, then germinates and grows into a seedling. Children will discover how plants use sunlight, water, and air to help them grow, and learn about the importance of flowers in producing seeds for new plants.
Integrated Curriculum	In topic this week we will be looking at the future of the UAE and predicting what it might be like to live in the UAE in the future.
