

# Al Ain English Speaking School

Year 4 Learning Pathway

Week beginning: 20.01.25

Dear Parents,

Our programme of Enhanced Curriculum Provision started successfully last week and it was great to see the children engaging in a wide range of activities. Please remember to arrive **promptly at 3.20pm** on the days when your child will stay in school to take part in their chosen activity. **Kindly note that the gates will close 20 minutes after opening.**

We are looking forward to the upcoming book fair starting on **Monday 27th January**. Please check your emails next week to find out more information about class times and locations.

Our Term 2 values are care and resilience. We are currently embedding the value of care and our expectations are that students will:

- Take care of themselves, each other, our school / world and with their work.

## Contacting Year 4 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

- Please be reminded that at drop off and pick up times, students should not play on the equipment in the playgrounds and parents should not speak to any students on site without their parent's permission.
- Please also be reminded children should not attend school if they have sickness, diarrhea or have fever like symptoms. In the event of any absence from school, please email your child's class teacher and [csmith@aaess.sch.ae](mailto:csmith@aaess.sch.ae) about the absence and reason.

## Year 4 learning:

**Week beginning: Monday 20th January 2025**

<b>Maths</b>	The children will be investigating the links between multiplication and division. They will be recapping their learning on 2-digit multiplication by 1-digit multiplication as well as their times table knowledge.
<b>English</b>	Following on from their work on scene descriptions, the children will be learning how to write stage directions for a playscript. They will be learning in depth about adverbs and using some drama to look to see what it would look like on stage
<b>Science</b>	The children will be writing up their experiment that they performed last week. They will then be starting to learn about the water cycle. They will be making a small representation of what the water cycle looks with a sandwich bag and dyed water.
<b>Integrated Curriculum</b>	The children will be learning about different types of Greek Art such as mosaics. We will be showing the children the Greek Alphabet which they will be able to include in their artwork.

## Year 4 PE Days:

Monday	Tuesday	Wednesday	Thursday	Friday
