Year 5 learning:

Week beginning: Monday 17th February

Maths	We will be continuing our learning of fractions in Maths. The children will be learning how to multiply unit and non-unit fractions by a whole number, They will also be learning how to multiply mixed numbers by whole numbers.
English	As we start the new half term, the children will be looking at a new writing genre of suspense stories! They will start the week by showing us what they already know about suspense writing. After that, they will be learning a new model text and understanding new vocabulary within this. We will also be revisiting our learning of relative clauses and how to use these accurately.
Science	In science, we will be starting a new topic of space! Firstly, the children will learn about the shape of all planets and why they are this shape. After that, they will be learning about what craters are and investigating the formation of craters on the moon.
Integrated Curriculum	We will be starting a new topic this term - Mission to Mars! We will start our topic by participating in some astronaut training before writing a job advert to become an astronaut.

AAESS Values

Resilience

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Resilience** in Term 2.

Our expectations are that students will:

- Develop strategies to persevere
- Have a 'can do' approach to problem solving and new learning
- Develop a positive and optimistic mindset
- Learn how to be more adaptable and flexible when faced with a
