Year 3 Learning Pathway
Week beginning: 24.02.25

Dear Parents,

It has been lovely to see the children settle quickly back into their daily classroom routines after the mid-term break. The children and teachers have really enjoyed diving into, and starting to explore their new learning topics through exciting hooks to grab their interests and curiosities.

Our Term 2 Values

Resilience

Care

This half term, we will be concentrating on the value of Resilience. Resilience is having a 'can do' attitude and approach to our work and other situations that face us. During this half term, our expectations are that students will be able to develop strategies to persevere, continue to develop a positive and optimistic mindset, and learn how to be more adaptable and flexible when faced with a problem.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.
