Year 5 Learning Pathway

Week beginning: 03.03.25

Dear Parents,

Ramadan Kareem! We wish you and your family a very blessed Ramadan. During the holy month, the school day timings will be as follows:

From **Monday to Thursday** lessons will begin promptly at **9.00am and end at 2:00pm**.

On **Friday** lessons will begin promptly **9:00 am until 12:00 pm**

The school gates will open at 8.50am each day. Children will go straight to their classrooms where their teachers will be there to welcome them. The playground will not be in use or supervised between 8.50 am and 9 am.

During the holy month, teachers will fully support any child who decides to fast. However, we would recommend that they bring in a small bottle of water and a small snack in case they need to break their fast. Please be reminded that the canteen will not be selling food and drink for students in the primary department during this time.

Please note, as the collection time for all students is 2 pm, our extra curricular activities provision will be suspended during this time. The ECA programme will resume in Term 3.

## Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

Please be reminded that if your child is unwell and has a temperature/fever of 38°C and above, (Department of Health Directive) they should stay at home until they are symptom free and without medication for a minimum of 24 hours. Contact your doctor if you have any concerns with fever-like illnesses. Nurses are happy to provide guidance, please email [schoolnurse@aaess.sch.ae](mailto:schoolnurse@aaess.sch.ae).

## Year 5 learning:

**Week beginning:** Monday 3rd March

<b>Maths</b>	Next week, the children will be learning to convert between different units of measure. They will be using their understanding of multiplication and division to do this. They will be multiplying and dividing by 10, 100 and 1000 and will be solving word problems related to this.
<b>English</b>	Now the children have had a go at a piece of suspense writing, the children will start the week by editing, assessing and improving their work. They will then be learning how to use expanded noun phrases accurately in a suspense story. They will also be writing a setting description that incorporates suspense features we have learnt. Lastly, they will be looking at using solo speech within their writing.
<b>Science</b>	As we continue our leaning of space next week, the children will have a go at creating rocket mice and will need to take accurate measurements, and write a scientific reflection explaining what they did. After this, they will be learning about the different theories of planetary orbit.
<b>Integrated Curriculum</b>	Now the children have learnt about UAE's space mission, they will be learning about the UAE's space mission to Mars. Then they will compare the environments on other planets to Earth.

We would like you to practice the Year 5 & 6 statutory spelling list. Please choose 10 words this week that you find tricky, put them into sentences and practice them at home. We will give children 1HP if they can show us some of the fantastic sentences they can create!  
We will look at these spelling words each Friday in class.

Please use the list below to help you learn them

## AAESS Book Week

Monday 3rd March - Friday 7th March

In celebration of World Book Day on Thursday 6th March, we have a range of exciting activities and competitions planned for the students to complete in this week. These include: Buddy reading, Guess the mystery reader, design a door competition, and Reading celebration assemblies. We hope the week of activities will continue to develop the children's love of reading.

## Extreme Readers is Back !

To Celebrate our Love of reading at AAESS, we would like to invite you to take a picture of you reading at home. This isn't any ordinary picture though. We would like you to take a picture of you reading in an unusual (but safe) place. The pictures above and below are some examples and ideas to inspire you.

Please email your photos to your class teachers for your chance of earning some house points.

## Resilience

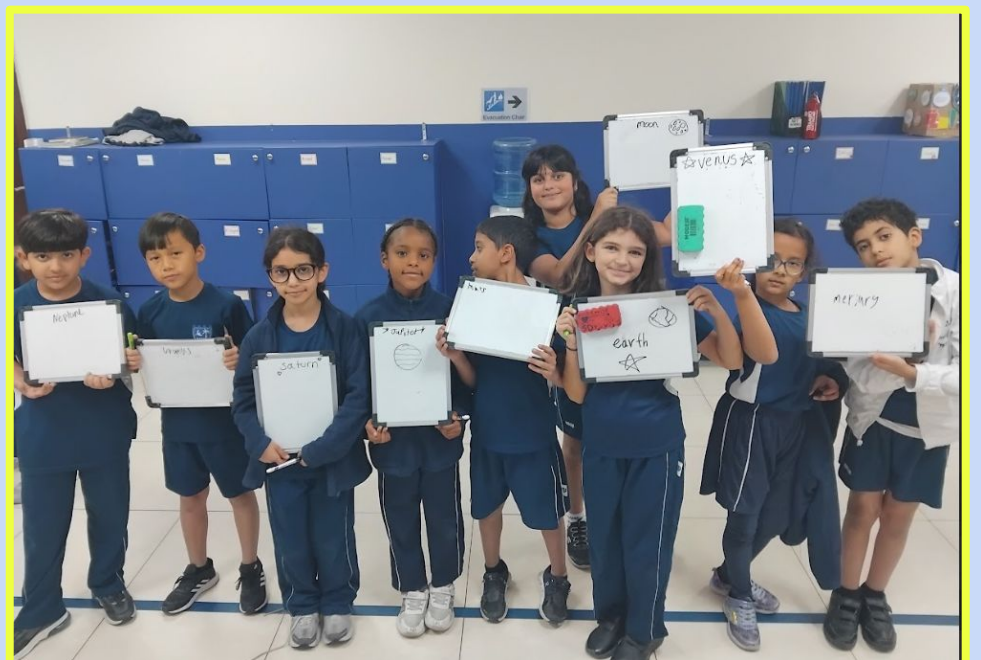

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Resilience** in Term 2.

Our expectations are that students will:

- Develop strategies to persevere
- Have a 'can do' approach to problem solving and new learning
- Develop a positive and optimistic mindset
- Learn how to be more adaptable and flexible when faced with a
