

Al Ain English Speaking School

Year 5 Learning Pathway

Week beginning: 10.03.25

Dear Parents,

As part of the UAE's Year of Community initiative, and during the Holy month of Ramadan, we have introduced Service Learning Fridays. Our programme has been developed to support the belief that education is more than just academics and is about preparing our children to be compassionate, responsible, and engaged members of society. Therefore, during the Holy Month of Ramadan, students will have the opportunity to take part in real-life, age-appropriate, service-learning activities such as: creating kindness campaigns, taking part in environmental clean-ups and organising book donation drives.

Please be reminded during the holy month, the school day timings will be as follows:

From **Monday to Thursday** lessons will begin promptly at **9:00 am** and end at **2:00 pm**.

On **Friday** lessons will begin promptly at **9:00 am** and end at **12:00 pm**

The school gates will open at 8.45am each day. Children will go straight to their classrooms where their teachers will be there to welcome them.

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they have family time outside of school too. Staff are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Important Information:

Please be reminded that if your child is unwell and has a temperature/fever of 38°C and above, (Department of Health Directive) they should stay at home until they are symptom free and without medication for a minimum of 24 hours. Contact your doctor if you have any concerns with fever-like illnesses. Nurses are happy to provide guidance, please email schoolnurse@aaess.sch.ae.

Year 5 learning:

Week beginning: Monday 10th March

Maths	Next week, we will be converting between centimeters and metres. Then, the children will be practically learning how to measure and then convert the lengths. After, they will use everything they have learnt to convert between different units.
English	As we continue our suspense writing next week, the children will be (with help from the teacher), planning a suspense story. Then, they will be writing the opening, build up, problem and ending using all of the writing features we have been learning.
Science	In science, the children will be learning what causes day and night. First they will be learning the theoretical side, then they will have collaborate to create a presentation to explain what causes night and day, using scientific vocabulary.
Integrated Curriculum	The children will be using what they have been learning intopic to design and create their own planet.

We would like you to practice the Year 5 & 6 statutory spelling list. Please choose 10 words this week that you find tricky, put them into sentences and practice them at home. We will give children 1HP if they can show us some of the fantastic sentences they can create!

We will look at these spelling words each Friday in class.

Please use the list below to help you learn them

Resilience

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Resilience** in Term 2.

Our expectations are that students will:

- Develop strategies to persevere
- Have a 'can do' approach to problem solving and new learning
- Develop a positive and optimistic mindset
- Learn how to be more adaptable and flexible when faced with a
