

Al Ain English Speaking School

Year 5 Learning Pathway

Weeks beginning: 21.4.25

Dear Parents,

With the temperatures rising as we move through Term 3, please be reminded that your child will need to have the appropriate **sunscreen applied**, **wear their hat** to play outdoors and ensure they are bringing a **water bottle** to school each day. As it is important for the children to continue with their daily exercise, school staff will continue to encourage students to play in the natural or built shade environments around the school and will also monitor those children who are regularly without a hat and/or water bottle.

Our programme of Enhanced Curricular Activities will begin again this week. Please arrive **promptly at either 2.30pm** to collect your child if they are not attending an activity **or promptly at 3.20pm** on the days when your child will stay in school to take part in their chosen activity.

Kindly note that the gates will close 20 minutes after opening.

If your child had their photograph taken at school recently by Pret-a-Portrait, they will have received a unique code which can be used on the company's website to view and order their individual or class photos. Please use the following link www.pret-a-portrait.net and the details shared on page 4 of this pathway to view and purchase the pictures.

Important Information:

- Please be reminded that at drop off and pick up times, students should not play on the equipment in the playgrounds and parents should not speak to any students on site without their parent's permission.
- Please also be reminded children should not attend school if they have sickness, diarrhea or have fever like symptoms. In the event of any absence from school, please email your child's class teacher and csmith@aaess.sch.ae about the absence and reason.

Year 5 learning:

Week beginning: Monday 21st April

Maths	In maths, the children will be revising their understanding of multiplication to help them find the area of shapes. They will be finding the area of rectangles and compound shapes.
English	In English writing, we will be unpicking the vocabulary in our new model text so that we have a deeper understanding. They will also be learning about the different writing features needed to write a non-chronological report.
Science	Now the children have conducted their experiment on height, they will be learning how to present their data effectively onto a bar graph. They will also be learning about the function of muscles and why we need them.
Integrated Curriculum	As we delve deeper into our learning of the Far East, the children will be participating in a learning carousel to understand the countries and their traditions better. They will then be doing some research and a presentation based on this.

AAESS Values

Respect

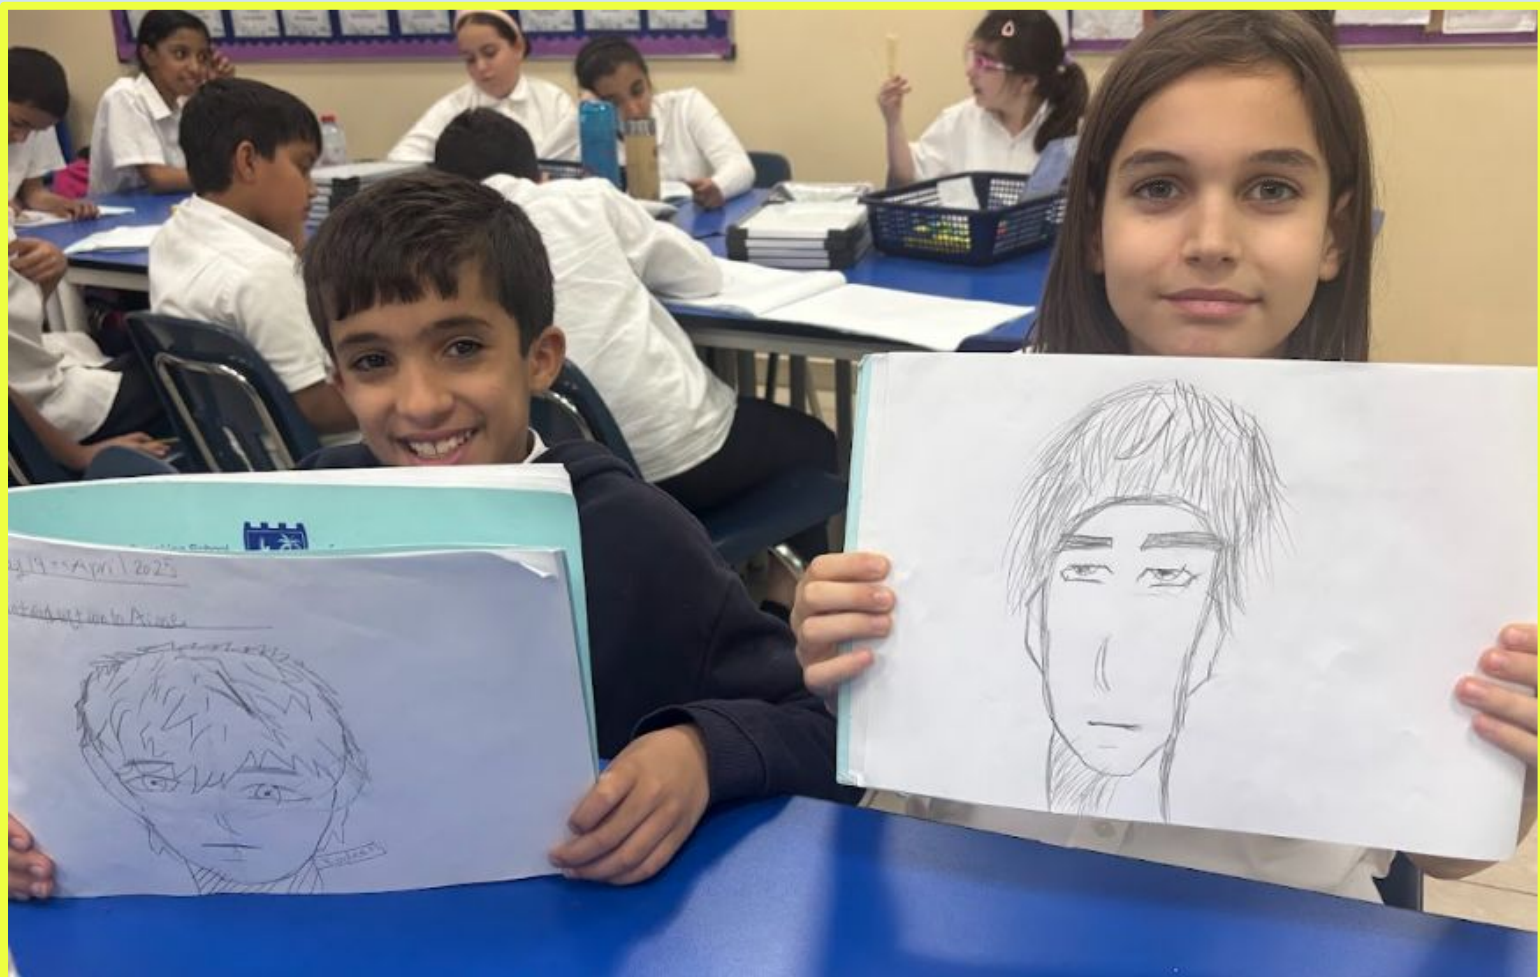

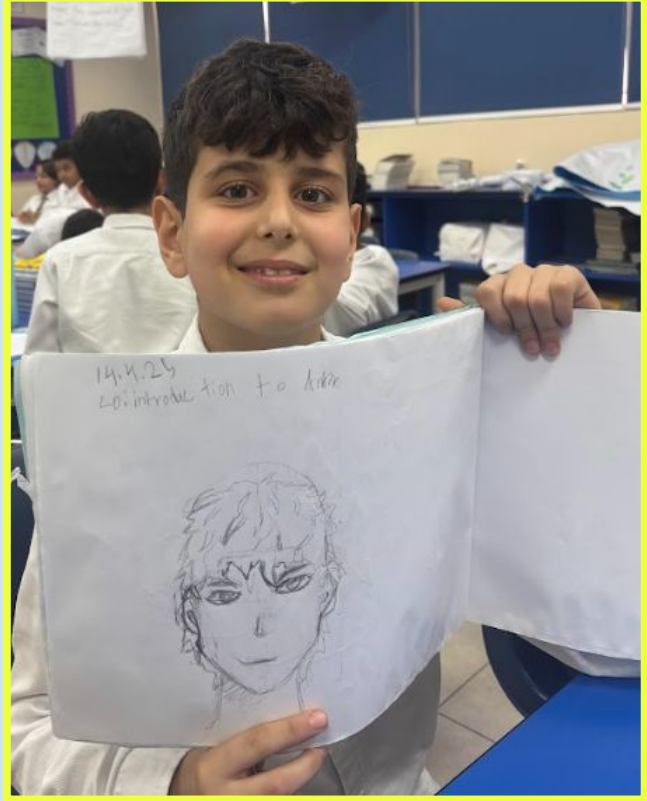

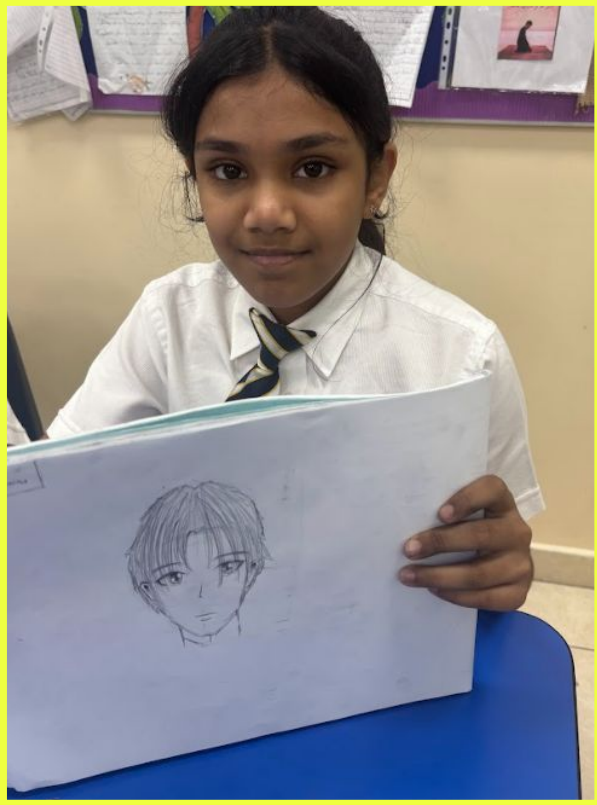

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others

This week's photos

In Art this week, we created our own anime characters using different techniques.

This week's photos

In Science, we took measurements of children from year 3-6 to look at how our height changes as we get older.

We did a walk and talk activity, where we learnt more about each other.
