## Year 3 Learning Pathway

Weeks beginning: 5.5.25

Dear Parents,

We are pleased to announce that this week we will have the Term 3 Bookworm Book Fair in the Auditorium between Monday 5th and Thursday 8th May. Every student will have the opportunity to visit the book fair with their class and teacher who will guide them to explore the books on offer. To further celebrate our love for reading during this week, the students will have an opportunity to dress as their favourite book character on the day of their visit.

**All Year 3 classes will be visiting the book fair on Wednesday 7th May**, the children are invited to come to school dressed as their favourite book character on that day too.

As we move into the summer months and the temperature is starting to rise, please be aware that a 'cold room' will also be provided at break times and lunch times as an alternative to the playground to allow students the option to play away from the summer heat. Please continue to ensure your child comes to school each day with the appropriate **sunscreen applied**, a **hat** to play outdoors and a **water bottle**.

## Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

- Please be reminded that children who are not staying for our ECA programme should be collected at 2.30pm by an adult. Older siblings (Under 18 years of age) are not permitted to take responsibility for their younger brothers or sisters without written consent.
- Please also be reminded that at drop off and pick up times, students should not play on the equipment in the playgrounds and parents should not speak to any students on site without their parent's permission.

## Year 3 learning:

**Week beginning: Monday 5th May**

<b>Maths</b>	This week we will continue with multiplication and division and be focusing on the link between the two. We will then be looking at the link between multiplication and scaling. Finally towards the end of the week, we will be answering problem solving questions linked to multiplication.
<b>English</b>	This week the children will be planning their own story based on 'The Iron Man' then they will write it up as their end of unit hot task assessment. The children will learn how to change parts of a story and to independently turn this plan into a story, made up of paragraphs.
<b>Science</b>	Continuing our topic on 'light' the children will be learning the properties of light (reflections, shadows, colours) and exploring how shadows are formed. We will be teaching the children some new vocabulary (transparent, translucent and opaque) and they will begin an investigation on shadows.
<b>Integrated Curriculum</b>	In topic the children will be learning about time zones around the world. In Art, the children will be exploring the work of two great historic artists Mondrian and Kandinsky and creating their own art in these styles.

## AAESS Values

# Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
