## FS2 Learning Pathway

Weeks beginning: 12.5.25

Dear Parents,

Thank you for supporting the book fair this week.

It was fantastic to see the children dressed up as their favourite book characters and there were some impressive costumes created. We will be sharing some of the photos of different year groups in their costumes on our Facebook and Instagram pages, so please use the links to access these sites and view them.

We are updating our photo and video consent form and would like to ensure that your wishes are followed when it comes to sharing your child's photos. If you have not yet done so, then please read the information and complete the following google form at your earliest convenience.

## Contacting FS2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

## FS2 learning:

### Week beginning: Monday 12th May

This week we will be discussing different food around the world, focusing on local dishes linking to the UAE's heritage. What is your favourite food? We will link this with PSED, where we will encourage the children to take part in discussions about dinner times in their own homes. We will also engage with non fiction reading material like recipes from different cultures.

This week in Expressive Art and Design we will continue learning our model text for Jack and the Beanstalk, rehearsing our songs, and creating props for the Summer Concert.

This week introduces the oi grapheme, with the phoneme heard in words such as soil, spoil and boil. We will read a version of the Fairy Tale, The Frog Prince and focus on developing blending and segmenting skills in all activities. Our HFWs for the week are: day, away, play, children.

This week in maths, we will be beginning to verbally count beyond 20. Can you begin to see a pattern in our counting system? What is happening? We will look at different ways of showing this pattern. Can you model the counting pattern at home?

This week in literacy, FS2 are diving back into the story of Cinderella—but with a twist! Through Drawing Club, the children will explore rich vocabulary and use their imaginations to innovate the story, creating their own magical versions of Cinderella's world through drawing, storytelling, and play.

# AAESS Values

## Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
