

# Al Ain English Speaking School

Year 3 Learning Pathway

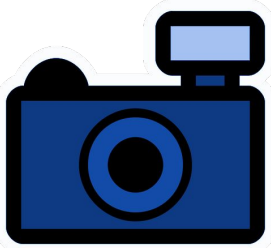

Weeks beginning: 12.5.25

Dear Parents,

It was fantastic to see so many of the children dressed up as their favourite book characters this week, with some impressive costumes created and worn. We will be sharing some of the photos of different year groups in their costumes on our Facebook and Instagram pages, so do not forget to have a look and leave a like.

As well as dressing as our favourite book characters this week, we have also had the Bookworm Book Fair in school, helping our children dive into the love of reading.

We are updating our photo and video consent form and would like to ensure that your wishes are followed when it comes to sharing your child's photos. If you have not yet done so, then please read the information and complete the following google form at your earliest convenience.

## Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

- Please be reminded that at drop off and pick up times, students should not play on the equipment in the playgrounds and parents should not speak to any students on site without their parent's permission.
- Please also be reminded children should not attend school if they have sickness, diarrhea or have fever like symptoms. In the event of any absence from school, please email your child's class teacher and [csmith@aaess.sch.ae](mailto:csmith@aaess.sch.ae) about the absence and reason.

## Year 3 learning:

**Week beginning: Monday 12th May**

<b>Maths</b>	Continuing our multiplication unit, the children will be using < > = symbols to compare multiplication calculations. The children will be making links between different times tables (4s and 8s then 3s and 6s) as well as making connections between multiplication and division. They will also be focusing on how to solve problems and how to reason their answers. The end of the week will be used to revise multiplication, division, mass and capacity before the hot assessment.
<b>English</b>	The children will be using their plan to continue to write up their hot assessment story, based around our class text 'The Iron Man'. There will be an opportunity for the children to self assess against the success criteria, and time to edit and improve. Towards the end of the week we will be introducing our new text 'The Egyptian Cinderella' by Shirley Climo.
<b>Science</b>	To conclude our topic on 'Light' the children will learn how light travel into our eyes. The children will then complete a hot assessment on some of the things we have learnt.
<b>Integrated Curriculum</b>	The children will understand why lighthouses were invented and the different parts to a lighthouse. In art, the children will get to make their own lantern to take home.

## AAESS Values

# Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
