

Al Ain English Speaking School

Year 5 Learning Pathway

Weeks beginning: 9.6.25

Dear Parents,

Everyone at AAESS would like to wish you and your family a lovely Eid Al Adha holiday and remind you that school will resume as normal on Monday 9th June.

We have recently had a surge in requests to collect students from school early. To enable a student to be picked up early, we require a valid reason to upload to ADEK's eSIS system for the request to be approved. The guidance provided by ADEK is that early leave should only be granted for a medical appointment (but parents should aim to make such appointments during the weekend), a family crisis such as hospitalisation, a family bereavement or for an official community task.

If your child/children are unwell they should be kept at home. If your child has had a stomach upset or sickness it is important that you allow a period of at least 48 hours after the sickness or diarrhoea has finished before sending them back to school. Such action will help to prevent the infection spreading unnecessarily to others in the school. In all cases of your child being unwell and unable to come to school, email the class teacher and the attendance officer at csmith@aaess.sch.ae every day your child is absent ensuring their absence is accounted for.

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it.

- Please also be reminded children should not attend school if they have sickness, diarrhea or have fever like symptoms. In the event of any absence from school, please email your child's class teacher and csmith@aaess.sch.ae about the absence and reason.

Our Yr 5 Recommended English Books

R4P

Reading for Pleasure

At AAESS, we are dedicated to supporting our students to develop a lifelong love for books and reading. Our main goal is for the children to see books as a source of inspiration, pleasure and enjoyment!

Reading for pleasure can help to improve student achievement in school. Research has shown that students who read at home do 'significantly better' across the curriculum than students who don't read.

To support our students with their reading choices, we would like to recommend some great books and authors each half term.

How many of these recommended books have you read?
