Our Yr 4 Recommended English Books

R4P

Reading for Pleasure

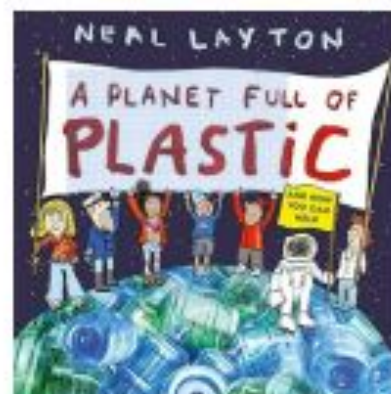

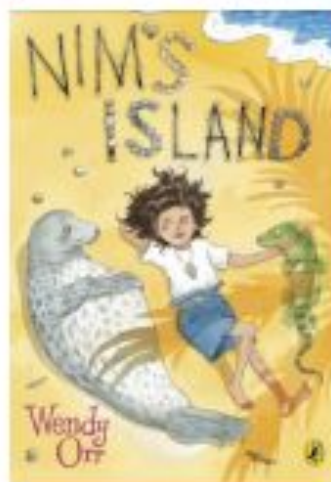

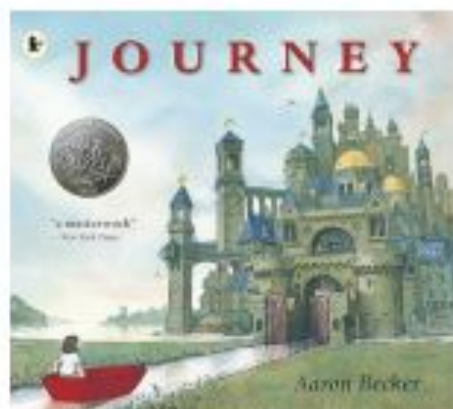

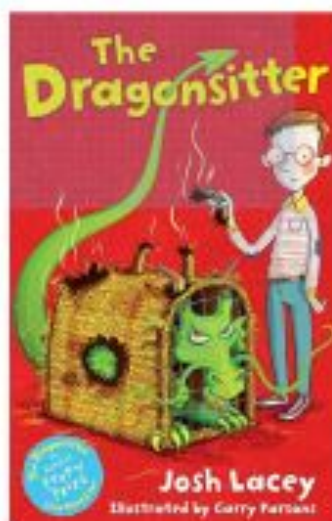

At AAESS, we are dedicated to supporting our students to develop a lifelong love for books and reading. Our main goal is for the children to see books as a source of inspiration, pleasure and enjoyment!

Reading for pleasure can help to improve student achievement in school. Research has shown that students who read at home do 'significantly better' across the curriculum than students who don't read.

To support our students with their reading choices, we would like to recommend some great books and authors each half term.

How many of these recommended books have you read?
