## Year 6 Learning Pathway

Weeks beginning: 19.5.25

Dear Parents,

This week, you will receive information about our Term 3 class teacher and parent meetings which are scheduled to be held **Monday 2nd June and Tuesday 3rd June**. The meetings will give you an opportunity to discuss the developments regarding your child's attainment and progress during this year.

With the temperatures continuing to rise, please be reminded that your child will need to wear their hat to play outdoors with their friends. School staff will continue to encourage students to play in the natural or built shade environments around the school and a 'cold room' will also be provided as an alternative option during break times. Please continue to ensure your child comes to school each day with the appropriate **sunscreen applied, a hat** to play outdoors and a **water bottle**.

As our aim is for every child to develop a love for reading, as part of our Reading 4 Pleasure initiative, we will be sharing our recommended reads in English and Arabic on the paths each term. Please see page 4 and 5 for this term's recommendations.

## Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

### Reading for Pleasure

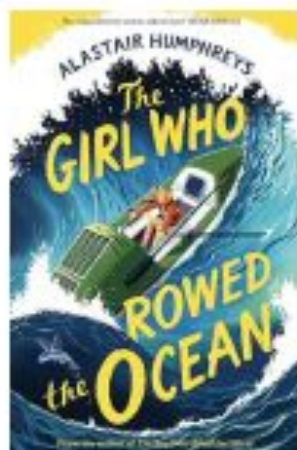

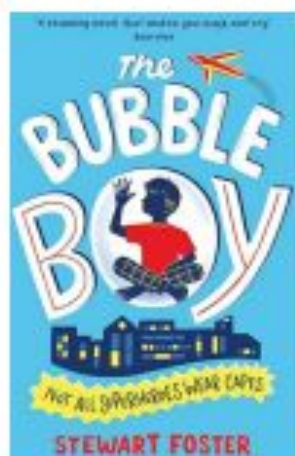

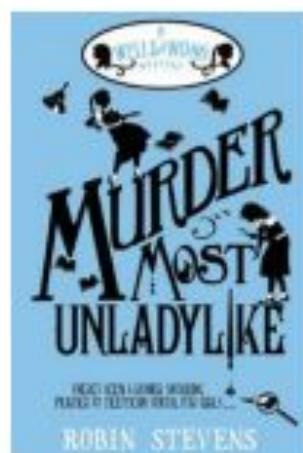

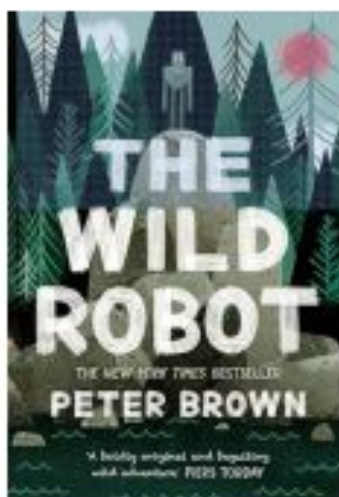

At AAESS, we are dedicated to supporting our students to develop a lifelong love for books and reading. Our main goal is for the children to see books as a source of inspiration, pleasure and enjoyment!

Reading for pleasure can help to improve student achievement in school. Research has shown that students who read at home do 'significantly better' across the curriculum than students who don't read.

To support our students with their reading choices, we would like to recommend some great books and authors each half term.

How many of these recommended books have you read?
