Year 2 Learning Pathway

Week beginning: 15.9.25

Dear Parents,

Throughout the year we will have numerous events and workshops scheduled for the term, please refer to the upcoming events section each week to ensure you do not miss any of the important dates or times shared.

Please be reminded that if your child is **unwell and has a temperature/fever of 38°C and above**, (Department of Health Directive) they should **stay at home** until they are symptom free and without medication for a minimum of 24 hours. Contact your doctor if you have any concerns with fever-like illnesses. Nurses are happy to provide guidance, please email schoolnurse@aaess.sch.ae.

Please be reminded that **arriving on time** each morning **is vital** to your child's **learning**. Gates close and lessons start **promptly at 7.40 am**. Missing even a few minutes of the day means missing the foundations of key lessons and important routines, which can impact confidence and progress.

Contacting Year 2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 2 learning:

Week beginning: Monday 15th September 2025

Maths

In maths, we will be continuing to build up our knowledge and understanding of 'Place Value', with a focus on recognising the place value of each digit in a 2-digit number. The children will use a range of manipulatives to deepen their understanding, including: dienes, tens frames, (bundles of) straws, 100 squares and place value grids. The children will also learn how to partition 2-digit numbers into tens and ones.

English

In English, we will continue our 'Talk for Writing' sessions based around the story of 'The Lighthouse Keeper's Lunch'. The children will start the week by describing the main character of Mr Grinling from the story. We will think about what he looks like, how we would describe his personality and what thoughts and feelings he might have. Following this, the children will continue to develop their descriptive language with a focus on collecting adjectives about other characters in the story and using adjectives to describe various nouns. At the end of the week, the children will answer different questions about the story in order to show their understanding of the text.

In order to further promote both a 'love of reading' and 'reading for pleasure' in our classrooms, we would like to request that each child brings in a book of their choice to read each day.

Science

In science, the children will use their 'working scientifically' skills as they are given the equipment to plan, complete and record the results of an experiment.

Topic

We will be continuing with our 'We Could Be Heroes' unit. Over the course of the next few weeks, the children will begin to understand the lives of significant individuals in the past. First, we will focus on Sheikh Zayed. In art, the children will challenge themselves to recreate some of Roy Lichtenstein's artwork using the same techniques and different mediums.
