

# Al Ain English Speaking School

## Year 3 Learning Pathway

### Week beginning: 22.9.25

Dear Parents,

On Friday 26th September, we will be joining the other Cognita schools around the world to celebrate Global Be Well Day. Global Be Well Day is a special opportunity for everyone in the Cognita community to focus on the importance of wellbeing as individuals, schools and a global family. Because physical and mental health are essential for a bright future.

This year's theme is 'Connection'. Connection to ourselves, connection to others and connection to nature. Throughout the week, the children will have the opportunity to connect with other children in other year groups across the school in fun ways. As well as this, we would like to encourage families to find ways of connecting as a family, with friends, and with nature.

## Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

- Gates will open promptly at **7.05am** (Monday - Friday).  
*As part of our commitment to safety, our new swipe card entry system is in place to ensure that only staff and approved visitors are permitted on site during the school day. Thank you for respecting this and for your continued support in helping us maintain a safe environment for all.*
- Pick up for Year 3 is: **2.30pm** (Monday - Thursday) or **3.20pm** (After ECAs).
- Pick up for Y3 is: **12pm** on a Friday.

## Year 3 learning:

**Week beginning: Monday 22nd September 2025**

English	The children have now learnt their Talk for writing text 'The Greenship' and will now begin the innovate stage. They will begin to plan their own story, changing a few parts as they go along. This week we will plan and write paragraph 1 and 2. The children will be taught to edit and improve along the way using our purple editing pens. The children will learn how to use prepositions and adjectives in their writing, and we will encourage the use of the correct punctuation.
Maths	This week's focus will be on addition and subtraction. Firstly, adding and subtracting 100s and recognising patterns. We will then teach the children how to add 1s going across 100s, and also how to add 10s going across 100s. Towards the end of the week, we will move to a subtraction focus taking away 1s where it goes across a 10.
Science	This week, we will be exploring the concept of water transportation in plants through hands-on activities. Children will conduct an experiment using celery and dyed water to observe how water travels up the stem, helping them understand how plants absorb and distribute water. In addition, they will take part in a flower dissection activity to learn about the different parts of a plant and their functions. These practical experiences will deepen their understanding of plant biology in an engaging and memorable way.
Topic	In topic this week the children will begin exploring atlases and maps, identifying the equator and northern and southern hemispheres. On Friday, we will have a day where we celebrate our traditions and customs from around the world. We invite the children to bring in any cultural items, artefacts or photos to show, and to wear traditional clothing (if available) . This is optional, but would make this learning experience more meaningful and engaging for the children if they were to join in. We are unable to accept any food items brought in.

## Year 3 PE Days:

3A, 3B, 3C, 3D, 3E, 3F Monday and Thursday

3G, 3H Tuesday Thursday

# Home Learning Links:

Please feel free to use the resources shared in the link below to access and review the learning your child completed last week in school.

## Year 3 - Week 4 Learning Review

### Spelling

Please practise your child's spelling list at home throughout the week. The spelling test will be on either a Thursday or Friday, depending on your child's class timetable.

**Group 1** - old, cold, gold, hold, told, every, great, break, steak, pretty

### **Group 2**

reply, describe, guide, surprise, exercise, island, bicycle, library, fright, height

### Maths

Hit the button game - practise your times tables

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Times Tables Rock Stars: <https://ttrockstars.com>

## Upcoming events:

We will once again this year be recognising the Cognita Global Be Well Day with our students on Friday 26th September.

**Our Year 3 Cultural Sharing Day will take place on Friday 26th September 2025.**

We encourage students to:

- Dress in traditional clothing (if available)
- or bring cultural items, artifacts or photos to show

We are unable to accept any food items.

**The above are optional, but we would appreciate your support and involvement.**

This celebration will provide students with an opportunity to learn from one another and appreciate the rich diversity within our classroom community.

Thank you for your support and involvement. We look forward to a vibrant and educational cultural sharing experience!

## AAESS Values

# Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others

# This week in pictures:
