

Al Ain English Speaking School

Year 4 Learning Pathway

Week beginning: 22.9.25

Dear Parents,

On Friday 26th September, we will be joining the other Cognita schools around the world to celebrate Global Be Well Day. Global Be Well Day is a special opportunity for everyone in the Cognita community to focus on the importance of wellbeing as individuals, schools and a global family. Because physical and mental health are essential for a bright future.

This year's theme is 'Connection'. Connection to ourselves, connection to others and connection to nature. Throughout the week, the children will have the opportunity to connect with other children in other year groups across the school in fun ways. As well as this, we would like to encourage families to find ways of connecting as a family, with friends, and with nature.

Contacting Year 4 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.
