

Al Ain English Speaking School

Year 5 Learning Pathway

Week beginning: 22.9.25

Dear Parents,

On Friday 26th September, we will be joining the other Cognita schools around the world to celebrate Global Be Well Day. Global Be Well Day is a special opportunity for everyone in the Cognita community to focus on the importance of wellbeing as individuals, schools and a global family. Because physical and mental health are essential for a bright future.

This year's theme is 'Connection'. Connection to ourselves, connection to others and connection to nature. Throughout the week, the children will have the opportunity to connect with other children in other year groups across the school in fun ways. As well as this, we would like to encourage families to find ways of connecting as a family, with friends, and with nature.

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 5 learning:

Week beginning: Monday 22nd September 2025

Maths	As the children continue their learning of place value, they will be looking at rounding numbers to the nearest 10, 100 and 1000.
Writing	Continuing their learning of newspaper report writing, the children will learn how to write an eyewitness account and the difference between a fact and an opinion. They will then have a go at innovating our model text.
Integrated curriculum	Next week, the children will be looking at a digital presentation and will be evaluating this. After this, they will collaborate to start to plan and prepare their own presentation.
Science	In science, the children will be designing an effective filtration system to clean dirty water. They will then be presenting and evaluating the findings of their design.

AAESS Values

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others

This week in pictures:

Year 5 have enjoyed getting involved and messy in their science lesson this week learning about separation of mixtures.
