

Al Ain English Speaking School

Year 2 Learning Pathway

Week beginning: 10.11.25

Dear Parents,

On Monday, we celebrated Flag Day, and it was lovely to see the children enthusiastically and respectfully waving their flags. Thank you for supporting this event and sharing videos of children celebrating this at home. It was wonderful to share these clips with their peers.

Our **Kindness** and **Anti-Bullying Week** is scheduled for this week and each day the students will have an opportunity to take part in a range of activities to respect each other, celebrate their uniqueness and show kindness towards others.

This year's theme is 'Power for Good' and is aimed at empowering us all to speak out, support others, and build a world where kindness wins. The week will start with the children being invited to wear odd socks to school on Monday 10th November.

Contacting Year 2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 2 Learning:

Week beginning: Monday 10th November 2025

Maths	In maths, the children will develop their counting skills with a focus on counting in 2s and 5s from any given number. For example, they could practise counting in 2s starting at the number 12 or counting in 5s starting from 25. The children will also practise counting back in 2s and 5s from any given number. They will use 100 squares and counters to help support their learning.
English	In English, the children will continue to practise retelling the letter from The Worry Monster. Following this, they will discuss what happened during their special 'What a Wonderful World' Day. They will share their thoughts and feelings about it before beginning to plan and write their own letter about the day. In their letter, they should include conjunctions (and, but and so), past tense verbs, exclamation sentences and question sentences.
Science	In science, the children will continue to learn about the unit 'Living Things and their Habitats' by deepening their understanding of how animals obtain their food.
Integrated Curriculum	On <u>Monday 10th November</u>, the children will take part in a special learning day linked to our topic for this half term. During the day, they will learn about the seven continents and enjoy a range of fun and memorable activities related to each one. Please allow your child to wear non-uniform on this day. They should wear comfortable clothes and shoes suitable for active learning.
