

Al Ain English Speaking School

Year 2 Learning Pathway

Week beginning: 17.11.25

Dear Parents,

We are very much looking forward to celebrating the **54th National Day** with our students and their families in school on **Thursday 27th November**. School will be open as normal from 7:30am-2:30pm on the day, with parents and families being invited in to join the celebrations between 9:00am-12:00pm. Further information regarding National Day at AAESS will be shared with parents over the next few days

Please be reminded that on National Day, the children are encouraged to wear National Day clothing, traditional clothing, or the colours of the UAE (Red, Black, White, Green) for the day.

It has been great to see various activities happening this week, during our kindness and anti-bullying week. As always, the children have been creative with their odd socks worn on Monday, shared top tips on how to show kindness as well as spreading random acts of kindness to friends and staff across the school.

Contacting Year 2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 2 Learning:

Week beginning: Monday 17th November 2025

Maths	In maths, the children will begin to learn about money. They will start the week by investigating dirhams and fils. The children will then focus on counting money, using only notes at first and then moving onto using notes and coins. When counting money, the children will use their knowledge of counting in 2s, 5s and 10s to find the total, before moving onto counting different amounts of money up to the value of 100AED. Following this, they will choose an amount of money. This will involve selecting notes from a bigger set, reinforcing their learning of counting money as a method for checking their answers.
English	In English, the children will continue to plan and write a letter about our 'What a Wonderful World' Day last week. The children will be expected to include the following features: past tense verbs, conjunctions ('and', 'but' and 'so') and different punctuation (such as full stops, question marks and exclamation marks).
Science	In science, the children will be learning about microhabitats. Within the lesson, they will have a nature walk around the school and investigate which minibeasts live in different microhabitats.
Integrated Curriculum	In Integrated Curriculum, the children will look at different landmarks from around the world and discuss what features they have. They will then learn which of these features are considered human features (man-made) and which are physical features (natural).
