

Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 17.11.25

Dear Parents,

We are very much looking forward to celebrating the **54th National Day** with our students and their families in school on **Thursday 27th November**. School will be open as normal from 7:30am-2:30pm on the day, with parents and families being invited in to join the celebrations between 9:00am-12:00pm. Further information regarding National Day at AAESS will be shared with parents over the next few days

Please be reminded that on National Day, the children are encouraged to wear National Day clothing, traditional clothing, or the colours of the UAE (Red, Black, White, Green) for the day.

It has been great to see various activities happening this week, during our kindness and anti-bullying week. As always, the children have been creative with their odd socks worn on Monday, shared top tips on how to show kindness as well as spreading random acts of kindness to friends and staff across the school.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 3 learning:

Week beginning: Monday 17th November 2025

English	The children will be continuing to plan and write their advert on their chosen UAE attraction. They will be planning paragraph 3, 4 and 5 and writing it up using our success criteria. The focus will be on the features of a good advert and will include things like alliterations, boastful and persuasive language and rhetorical questions.
Maths	We will be learning how to multiply a 2-digit number by a 1-digit number using the short multiplication method. The focus will mostly be on the 2 and 5 times table. The children will explore and answer problem solving questions using the short multiplication method.
Science	The children will be creating a fact file/ poster on everything they have learnt about plants. This can then be used to revise previous learning ready for the hot assessment (w.c 24th November). The children will also be answering their enquiry question 'How does a flowering plant grow, reproduce, and make new plants?'
Topic	The children will explore the importance of trading in the history of the UAE. They will get creative by designing and making their own products to trade. Some children will take on the role of traders and create gold coins to use as currency for buying and exchanging goods. The activity will culminate in a hands-on role-play experience, where the classroom is transformed into a lively market setting..
