

Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 03.11.25

Dear Parents,

AAESS will be joining the nation in celebrating **UAE Flag Day**, on **Monday 3rd November**. This is a time that reinforces the spirit of national unity and belonging among UAE citizens and residents. On the day, children should wear their normal school uniform and bring in a UAE flag that they can wave with pride during the national anthem. Please be reminded that **no** food or treats should be sent in on this day.

Following the email that you would have received regarding **Call to Earth Day, Friday 7th November**, please remember to bring in junk modelling items so that we can create our own gardens like the one in the book Tin Forrester.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Please be reminded that our school attendance target for all students is **96%**. We understand that circumstances can vary and that there may be genuine reasons why your child is unable to attend school. We kindly ask that you keep us informed of any necessary absences and the reasons for them.

Year 3 learning:

Week beginning: Monday 27th October 2025

English	Before we begin writing up our advert on Al Ain Zoo, we will be discussing the pros and cons of adverts and what will make our advert a good advert. The children will be practising alliterations that they may wish to use in their advert and exploring which punctuation is needed for different types of sentences.
Maths	This week, we will begin learning about multiplication and division. Throughout the week, we will practise counting in 2s, 5s, and 10s. The children will explore the connection between multiplication and equal groups, and they will learn what an array is while practising arrays for the 2 times table. Later in the week, we will focus on division, learning about sharing and grouping.
Science	In Science we will begin to learn about pollination and how it happens. We will set up an investigation where we will predict and practically explore how pollen moves from one plant to the next. The investigation will involve 2 flowers, some paint and a cotton bud, which will be used to transport the paint (pollen) from 1 flower to another.
Topic	In our topic lessons, we will be exploring how an oasis is formed through a hands-on activity using sand, water, and plastic trees. Afterwards, the children will write up the steps involved in creating an oasis in the desert. In Art, we will be making silhouette desert pictures using black paper and painted backgrounds.
