## Year 4 Learning Pathway

### Week beginning: 03.11.25

Dear Parents,

AAESS will be joining the nation in celebrating **UAE Flag Day**, on **Monday 3<sup>rd</sup> November**. This is a time that reinforces the spirit of national unity and belonging among UAE citizens and residents. On the day, children should wear their normal school uniform and bring in a UAE flag that they can wave with pride during the national anthem. Please be reminded that **no** food or treats should be sent in on this day.

Following the email that you would have received regarding **Call to Earth Day, Friday 7<sup>th</sup> November**, please remember to bring in junk modelling items so that we can create our own gardens like the one in the book *Tin Forrester*.

## Contacting Year 4 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Please be reminded that our school attendance target for all students is **96%**. We understand that circumstances can vary and that there may be genuine reasons why your child is unable to attend school. We kindly ask that you keep us informed of any necessary absences and the reasons for them.

## Year 4 learning:

**Week beginning: Monday 3rd November 2025**

|         |                                                                                                                                                                                                                                                                                                                                                           |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| English | In English, Year 4 will be exploring facts and opinions and their relevance to writing biographies. Also, they will be recapping Fronted Adverbials as sentence starters for time and place. Following this, the children will be beginning their innovate stage of the topic, which will see them write 2 paragraphs to complete their model text.       |
| Maths   | In Maths, Year 4 will be continuing to explore multiplication further looking at the different methods. They will be using their times tables skills to help throughout this. Following this, the children will be learning about factor pairs and how we can use the inverse to enhance our understanding.                                               |
| Science | In Science, Year 4 will be investigating the impact that different liquids have on teeth. They will be conducting an experiment and observing how teeth are affected by the different liquids and concluding why this happens. Also, the children will be identifying and comparing the different types of teeth in herbivores, omnivores and carnivores. |
| Topic   | In Topic, Year 4 will be developing their understanding of bridges by identifying the different types, such as a beam and truss bridge. Also, they will then be investigating bridges in Abu Dhabi and then around the world.                                                                                                                             |

## AAESS Values

# Tolerance

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Tolerance** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Understand that we are all unique and have something valuable to offer
- Accept and appreciate differences
- Understand and support each other if mistakes are made
