

Al Ain English Speaking School

Year 5 Learning Pathway

Week beginning: 12. 01. 26

Dear Parents,

It has been lovely to see all the children back in school after the winter break, listening to and sharing what everyone did during the vacation. Our new learning topics have started with interesting hooks to grab the children's interest and we look forward to the journey that our learning will take us on.

Our Term 2 values are Care and Resilience. We are currently embedding the value of care with our expectations that students will develop their understanding of how to take care of: themselves, each other, our school, and with their work.

Please be reminded that our school uniform is designed to be weather appropriate. Therefore, with the present weather conditions (cooler mornings and hotter afternoon temperatures), students should be equipped for both warm and cold weather. If the children do not have a school jumper or sweater to wear, they should come to school, wearing a plain (preferably navy blue) jumper or cardigan. With the changing weather temperatures, it is also important that all items students are likely to take off during the day are clearly labelled with their name and class.

Care Resilience

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

**Greet everyone you pass today
with a smile or a friendly hello**

WHY IT MATTERS:

A simple smile or greeting can brighten someone's day, strengthen connection and often helps us feel more positive too.
