

Al Ain English Speaking School

Year 6 Learning Pathway

Week beginning: 12.01.26

Dear Parents,

We are delighted to inform you that on Tuesday 27th January, we will be running the KS2 School sports day at Al Ain Golf, Shooting, Equestrian and Rugby Club. KS2 students (Y3-6) will arrive at school as normal in time for registration and will be taken by school buses to the rugby club. The first event will start at 9am, with track sprints, middle distance, jumps, throws and tug of war taking place throughout the day.

The event will be finished by 1.30pm with all children returning to school by bus for a normal pick up at 2.30pm. Please note that students cannot be taken from the rugby club. All children will need to come to school wearing their PE kit and/or a plain t-shirt in their house colour. (No football shirts). They will need to bring a water bottle, sun hat, and packed lunch.

Parent-teacher meetings are scheduled to take place on the week beginning 26th January, providing an opportunity to discuss your child's attainment and progress. Further details including the sign-up procedures will be shared this week.

Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 6 learning:

Week beginning: Monday 12th January 2026

Maths	This week in maths, we will be focusing on decimals. We will explore how to multiply decimals by 10, 100 and 1000 as well as multiplying and dividing decimals by integers.
Writing	This week, we will continue to explore features of warning stories, focusing particularly on reported and direct speech, complex sentences, vocabulary indicating caution and powerful verbs.
IC	This week in IC, we will be choosing and justifying our team colours for our Formula Ethara project. We will then proceed to design our team uniforms.
Science	This week in science we will be exploring how shadows are formed. Students will look at angles of light based on shadow direction as well as the reasons for shadow sizes.

Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

**Invite someone who is alone at
break to join you**

WHY IT MATTERS:

Including others helps people feel welcomed and valued. A simple invitation can ease feelings of loneliness and remind us all that we belong within our school community.

AAESS Values

Care

Our value focus this term is Care.

Our expectations are that students will:

Take care of themselves

- Take care of each other
- Take care of our school / our world
- Take care with their work

This week in pictures:

This week, in English, we focused on answering questions in a structured way. This was achieved through collaboration.

It is Formula Ethara season and the teams are working frantically to produce the best product. Teamwork makes the dream work.
