

Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 26.01.26

Dear Parents,

Parent-teacher meetings are scheduled to take place this week, providing an opportunity to discuss your child's attainment and progress. If you haven't arranged a meeting and would like to attend, then please contact your child's class teacher.

Parent-
Teacher
Meetings

On **Tuesday, 17 February 2026**, we will be launching our **Voice of the Parent Survey**. This survey is a vital opportunity for you to share your views on your child's experience at AAESS and to help shape the future direction of our school. We strongly encourage all parents to take part when the survey is released. Your voice plays an important role in shaping AAESS, and we are grateful for the time and care you take to share your feedback with us.

We are delighted to inform you that on Tuesday 27th January, we will be running the KS2 School sports day at Al Ain Golf, Shooting, Equestrian and Rugby Club 9:00am-1:30pm. KS2 students (Y3-6) will arrive at school as normal in time for registration and will be taken by school buses to the rugby club. Please note that students cannot be taken from the rugby club. All children will need to come to school wearing their PE kit and/or a plain t-shirt in their house colour. (No football shirts). They will need to bring a water bottle, sun hat, and packed lunch.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 3 learning:

Week beginning: Monday 26th January 2026

English	This week, we will finish writing <i>The Stone Age Boy</i> story. The children will self-assess their work using the success criteria before editing and improving it using a purple polishing pen. We will then begin the <i>invent</i> stage, where the children will change different parts of the story to make it their own, starting by planning paragraphs 1–4.. The children will be encouraged to use their success criteria, which will include speech, adverbs, verbs and the correct punctuation.
Maths	We are going to begin our learning on telling the time. This week, the children will learn how to tell the time to o'clock and half past using an analogue clock. They will then build on this by learning how to tell the time to quarter past and quarter to, as well as understanding how to read the time past the hour and to the hour.
Science	In Science, Year 3 will be learning about Mary Anning, finding out who she was and why she is important. The children will discover how she found fossils and helped us learn more about prehistoric animals, linking to our Stone Age topic. They will also learn how soil is formed by exploring how rocks break down over time and how plants and animals help create soil, helping them understand why soil is important for living things.
Topic	Continuing our Stone Age topic, the children will learn about how Paleolithic and Mesolithic people lived and develop an understanding of how their way of life changed over time. In DT, the children will begin using a running stitch to sew felt together to create their own Stone Age pouch.

Year 3 PE Days:

Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

**Take 3 slow, deep breaths before
starting your next lesson**

WHY IT MATTERS:

Intentional breathing helps settle the body, clear the mind and gently refocus our attention. Pausing in this way can help us approach the next moment with greater calm and clarity.

Parent Workshop: Inclusion & Supporting Additional Needs

Supporting Every Child to Thrive

We warmly invite parents to join us for an informative and supportive workshop focused on inclusion and how we can work together to support children with additional needs.

Meet Our Specialists

 Date: 2nd February

 Time: 2.00- 2.30

 Location: Auditorium

We look forward to welcoming you and working together to support every child's success.
