

Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 02.02.26

Dear Parents,

Thank you so much to all the children and parents who participated in the 20 Days of Wellbeing Challenge. It has been great to see so many of the children taking part in the activities.

On **Tuesday, 17 February 2026**, we will be launching our **Voice of the Parent Survey**. This survey is a vital opportunity for you to share your views on your child's experience at AAESS and to help shape the future direction of our school.

We strongly encourage all parents to take part when the survey is released. Your voice plays an important role in shaping AAESS, and we are grateful for the time and care you take to share your feedback with us.

Just a gentle reminder that school now finishes at 11:30 a.m. every Friday. If you are unable to collect your child/ren at 11:30, please ensure arrangements are made for a prompt pick-up. Thank you for your cooperation.

Please note that school will break up for February half term at 2:30p.m. on Monday 9th February. School will then reopen on Monday 16th February.

Contacting Year 3 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 3 learning:

Week beginning: Monday 2nd February 2026

English	This week in English, the children will be editing and self-assessing their recent story to improve it and identify a next step for development. They will then have further practice writing speech and creating a conversation between two familiar characters. The week will also focus on reinforcing grammar and punctuation that the children do not always remember to use.
Maths	The children will learn how many minutes are in an hour and how many hours are in a day. They will practise telling the time on a digital clock, including o'clock, quarter past, half past, and quarter to. They will also develop their understanding of telling the time both past the hour and to the hour. To end the week the children will complete the hot assessment on Multiplication, division and time.
Science	The children will be using their knowledge on rocks and fossils to answer our initial big question 'What type of rock would be best to build a house and why?'. To end the week the children will complete the hot assessment on Rocks and Fossils.
Topic	To end the stone age topic, the children will create a fact file of what they have learnt including the 3 eras. They will be encouraged to compare the similarities and differences of the stone age.

Year 3 PE Days:

3A, 3B, 3C, 3D, 3E, 3F Monday and Thursday
3G, 3H Tuesday Thursday

Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

Recycle a plastic bottle or piece of paper you use today

WHY IT MATTERS:

Being mindful of how we use and recycle resources shows care for our environment and responsibility for the world we share.

Home Learning Links:

Please feel free to use the resources shared in the link below to access and review the learning your child completed last week in school.

Year 3 – Term 2 - Week 4 Learning Review
