## Year 6 Learning Pathway

### Week beginning: 02.02.26

Dear Parents,

Thank you so much to all the children and parents who participated in the 20 Days of Wellbeing Challenge. It has been great to see so many of the children taking part in the activities.

On **Tuesday, 17 February 2026**, we will be launching our **Voice of the Parent Survey**. This survey is a vital opportunity for you to share your views on your child's experience at AAESS and to help shape the future direction of our school.

We strongly encourage all parents to take part when the survey is released. Your voice plays an important role in shaping AAESS, and we are grateful for the time and care you take to share your feedback with us.

Just a gentle reminder that school now finishes at 11:30 a.m. every Friday. If you are unable to collect your child/ren at 11:30, please ensure arrangements are made for a prompt pick-up. Thank you for your cooperation.

Please note that school will break up for February half term at 2:30p.m. on Monday 9th February. School will then reopen on Monday 16th February.

## Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

## Year 6 learning:

**Week beginning: Monday, 2 February 2026**

	<b>Maths</b>	This week in Maths, we will begin to identify shape by exploring regular and irregular polygons. We will also turn our focus onto the perimeter of shape and finding the areas of squares, rectangles and right-angled triangles.
	<b>Writing</b>	For writing this week, children will be working collaboratively to identify ways to improve writing with a particular focus on descriptive vocabulary.
	<b>IC</b>	This week in IC, we will begin assembling our cars. Students will be guided step-by-step through the process to ensure they understand how each part fits together.
	<b>Science</b>	This week in Science we will be exploring how light reflects off different surfaces. Students will be designing a maze and creating it to support light reflection.

## Year 6 PE Days:

**6A - Tuesday and Thursday**  
**6B - Tuesday and Thursday**  
**6C - Tuesday and Friday**  
**6D - Tuesday and Friday**

**6E - Tuesday and Friday**  
**6F - Tuesday and Friday**  
**6G - Tuesday and Friday**

# Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

## Wellbeing Wednesday

Action:

**Recycle a plastic bottle or piece of  
paper you use today**

### WHY IT MATTERS:

Being mindful of how we use and recycle resources shows care for our environment and responsibility for the world we share.

# Home Learning Links:

Please feel free to use the resources shared in the link below to access and review the learning your child completed last week in school. There is also a link to our optional home learning booklet.

## Year 6 – Term 2 - Week 4 Learning Review

Spelling words will be given out in class this week..

### Maths

Please continue to practise your times table recall:
