

Al Ain English Speaking School

Year 2 Learning Pathway

Week beginning: 16.02.26

Dear Parents,

We hope that you have a lovely mid-term break and look forward to welcoming you back for a new half term starting on **Monday 16th February**.

Please be reminded that there will be **NO ECA's this week**.

On **Tuesday, 17 February 2026**, we will be launching our **Voice of the Parent Survey**. This survey is a vital opportunity for you to share your views on your child's experience at AAESS and to help shape the future direction of our school.

We strongly encourage all parents to take part in the survey. Your voice plays an important role in shaping AAESS, and we are grateful for the time and care you take to share your feedback with us.

During the holy month, as per MOE and ADEK guidance, the school day timings will be shortened. We will communicate the exact timings of our school day as soon as they have been confirmed.

However, during this time children will go straight to their classrooms where their teachers will be there to welcome them.

Contacting Year 2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Year 2 learning:

Week beginning: Monday 16th February 2026

Maths	In maths, we will begin our new <i>Multiplication and Division</i> topic. We will start the week by assessing the children's prior knowledge of this unit. Next, the children will learn to recognise equal and unequal groups before understanding how to make equal groups of their own.
English	In English, the children will begin to plan and write their own version of the <i>Jack and the Beanstalk</i> story, starting with the opening section. We will continue to focus on encouraging the children to say their sentence aloud, write it and then read over it to check that it makes sense. Within their writing, they will be expected to include capital letters, full stops, adjectives and some exclamation marks. We will also encourage the children to work in groups to edit and improve their work together.
Science and Integrated Curriculum	In science, we will start our new science-based topic entitled <i>Material World</i> . The children will begin by identifying the uses of everyday materials by going on a 'material hunt' around the school. They will then identify the suitability of everyday materials before being set a special challenge. The results from the challenge will enable them to understand the importance of using materials that are fit for purpose.

Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

**Say something positive about
yourself today**

WHY IT MATTERS:

Taking a moment to recognize our own strengths can positively shape how we think, feel, and engage with others.

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan AL Nahyan and in line with British Values, we will focus on the value of Resilience in Term 2.

Our expectations are that students will:

- Have a 'can do' approach to problem solving and new learning
- Develop a positive and optimistic mindset
- Learn how to be more adaptable and flexible when faced with a problem
