## Year 6 Learning Pathway

### Week beginning: 02.03.26

Dear Parents,

During the holy month, and in line with ADEK, please be reminded that school will operate on a reduced day and the timings will be as follows:

From **Monday to Thursday** lessons will begin promptly at **9.00am and end at 2:00pm**.

On **Friday** lessons will begin promptly **9:00 am and end at 11:30 am**

The school gates will open at 8.35am each day.

In celebration of World Book Day next week, We are excited to introduce a range of engaging events designed to promote a love of reading, including buddy class reading, mystery readers, Arabic storytelling, and a variety of competitions.

We hope the week of activities will continue to develop the children's love of reading.

Please take the time to share your views on your child's experience at AAESS via the **Voice of the Parent Survey**. This survey is a vital to help shape the future direction of our school. And we strongly encourage all parents to take part.

We are grateful for the time and care you take to share your feedback with us.

## Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

## Year 6 learning:

**Week beginning: Monday, 2 March 2026**

<b>Maths</b>	This week in maths, we will be finalising our latest topic with some revision before completing our Hot Task. We will then have a Cold Task before beginning our new topic of algebra.
<b>Writing</b>	Year 6 will continue to explore poetry, unravelling a poem called 'The Listener' by Walter de la Mare.
<b>IC</b>	This week we will be doing our team presentations in class for the Formula Ethara Qualifinals.
<b>Science</b>	This week in Science we will begin our new unit on 'Electricity'. The students will begin by looking at the different electricity symbols used in a series circuit. They will also investigate how a series circuit works using different components.

# Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesday's**, an initiative for Term 2 focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

## Wellbeing Wednesday

Action:

**Stretch your arms, shoulders and  
back at your desk or workspace**

### WHY IT MATTERS:

Stretching helps wake up your body and refresh your mind. Taking a short moment to move can boost energy and help you feel more alert and ready for the next part of your day.

# Home Learning Links:

Please feel free to use the resources shared in the link below to access and review the learning your child completed last week in school. There is also a link to our optional home learning booklet.

## Year 6 – Term 2.2 Week 2

Spelling words will be given out in class this week..

### Maths

# UAE's 6th Reading Competition

Mar. 5 - Apr. 5

Week beginning: 2nd March 2026

Throughout the week beginning the 2nd March 2026, the students will be recognising World Book Day. We will complete a number of activities to promote a love of reading.

AAESS will be celebrating British Science Week Monday 9th March – 13th March. More information will be sent to parents via email including an at home challenge.

**During British Science week, there will be a KS2 science workshop focusing on practical skills. Please sign up [using this link](#)**

# AAESS BOOK WEEK

March 2nd – 6th

## Book Cover Design Competition

Children are to redesign the front cover of their favourite book. These designs are to be submitted to class teachers, ready for the Book Day Judges to decide the final winners.

## Extreme Reading Photo

To promote reading at home and to show you can read anywhere, children can take photos of them reading in unique imaginative places, whilst still staying safe. Please send these pictures to your class teacher to be displayed around the school.

# AAESS Values

## Resilience

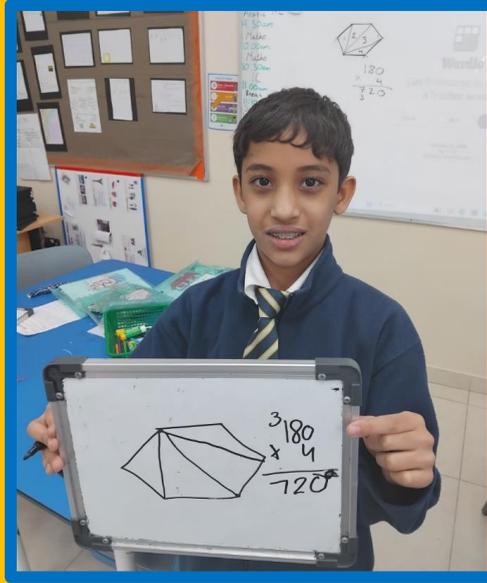

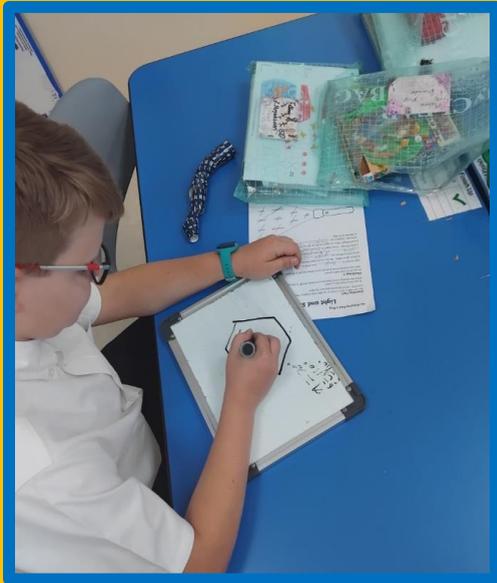

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan AL Nahyan and in line with British Values, we will focus on the value of Resilience in Term 2.

Our expectations are that students will:

- Develop strategies to persevere
- Have a 'can do' approach to problem solving and new learning
- Develop a positive and optimistic mindset
- Learn how to be more adaptable and flexible when faced with a problem

# This week in pictures:

Year 6 is currently working with shapes and angles. Looking at all the smiles, we know these students will do well.

Our Formula Ethara teams are hard at work preparing for their presentations.
