## Year 2 Learning Pathway

### Week beginning: 30.03.26

Dear Parents,

We would like to thank you for your continued support and ongoing partnership during this period of remote learning. Your flexibility, patience and commitment have played a vital role in ensuring that learning could continue from home.

It has been wonderful to see such high levels of participation in live lessons and we appreciate the effort you have made to help your children stay engaged, organised and ready to learn each day which has helped to create a positive and productive learning experience.

Please use the following link to access a copy of the AAESS Online Learning Framework, <https://aaess.org/online-learning-hub/>

This page brings together the key information you need, including how the programme works, what students can expect by phase, key contacts, and answers to frequently asked questions to support parents at home.

For further support in navigating Microsoft Teams, please feel free to use the following leaflet and a short video guide: [Primary Student Teams Site Guide](#) [Primary Student Teams Site Video.mp4](#)

## Contacting Year 2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

- For this week we will complete our learning online and at Al Ain English Speaking School (AAESS) this combines several complementary approaches to ensure learning remains structured, engaging and flexible.
- Learning will follow the normal school timetable, where possible, to maintain routine.
- Children will engage with live lessons which will be delivered by the teacher, recorded teacher inputs, and independent learning tasks which can be completed at a time convenient to your child.
- Offline tasks and movement breaks will be built into learning to support wellbeing and allow time away from the screen.

## Year 2 learning:

Week beginning: Monday 30th March 2026

<b>Maths</b>	In Maths, we will conclude our <i>Multiplication and Division</i> unit of work. The children will begin the week by learning to divide by 10. They will then move onto recognising and practising 5 times table facts before focusing on dividing by 5. To finish the week, and consolidate their learning for this unit, the children will focus on the 5 and 10 times table.
<b>English</b>	In English, we will begin the week by sequencing key events in the story <i>Alfie's Star</i> . Next, the children will create descriptive sentences using carefully chosen adjectives, verbs and prepositional phrases (to show location) before moving onto using similes to describe a star. Finally, the children will have the opportunity to plan their own version of <i>Alfie's Star</i> .

## AAESS Values

### Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Respect** in Term 3. Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
