## Year 4 Learning Pathway

### Week beginning: 30.03.26

Dear Parents,

We would like to thank you for your continued support and ongoing partnership during this period of remote learning. Your flexibility, patience and commitment have played a vital role in ensuring that learning could continue from home.

It has been wonderful to see such high levels of participation in live lessons and we appreciate the effort you have made to help your children stay engaged, organised and ready to learn each day which has helped to create a positive and productive learning experience.

Please use the following link to access a copy of the AAESS Online Learning Framework, <https://aaess.org/online-learning-hub/>

This page brings together the key information you need, including how the programme works, what students can expect by phase, key contacts, and answers to frequently asked questions to support parents at home.

## Contacting Year 4 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

# Important Information:

- For the next week we will complete our learning online and at Al Ain English Speaking School (AAESS) this combines several complementary approaches to ensure learning remains structured, engaging and flexible.
- Learning will follow the normal school timetable, where possible, to maintain routine.
- Children will engage with live lessons which will be delivered by the teacher, recorded teacher inputs, and independent learning tasks which can be completed at a time convenient to your child.
- Offline tasks and movement breaks will be built into learning to support wellbeing and allow time away from the screen.

## Year 4 learning:

**Week beginning: Monday 30th March 2026**

English	In English, we will be starting our new topic and learning about a new text. The children will be developing their story writing skills as we start to learn how to write an adventure story. The children will be introduced to their new model text and start to learn their text.
Maths	The children will be learning about division. To do this, we will be developing our multiplication facts and exploring relationship between multiplication and division. We will learn how to use the short division method in the 2, 3, 4, 5 and 8 times table. We will also ask the children to be learning their multiplication and division facts to aid their learning.
Science	In their lesson with the specialist teacher, the children will be reviewing the learning they have done on their previous topic "States of Matter". With the class teacher, the children will be starting the new topic of electricity and exploring what electricity is and where it comes from.
Topic	In our Topic lessons, we are going to be starting our new topic of "Around the World". This term, the children are going to be focusing on different geological properties of the earth and the continents that have them. Next week, we will be learning about the different oceans in the world.

# AAESS Values

## Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
