

Al Ain English Speaking School

Year 2 Learning Pathway

Week beginning: 06.04.26

Dear Parents,

As we continue our online learning we would like to thank all our parents for their continued help, support and cooperation. Please be reminded that a supportive home environment plays an important role in helping students remain focused, organised and confident during online learning

To ensure your child is ready for online learning it is helpful to

- Provide a quiet learning space – keeping distractions to a minimum.
- Encourage organisation and independence.
- Balance online and offline activities with regular breaks and movement.
- Make sure your child is well rested.
- Ensure they are ready to join the meeting at the correct time
- Keep in contact with the class teacher for further guidance and support.

Contacting Year 2 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff, please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Wellbeing Wednesday

Wellbeing Wednesday

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Action:

Create a simple workspace ritual - tidy your desk, adjust your chair or organize materials before lessons.

WHY IT MATTERS:

Small routines create structure, reduce distractions and give a sense of control during online learning.

Upcoming Events

In collaboration with the Abu Dhabi Public Health Center (ADPHC) and Sakina, ADEK is pleased to launch the 'Healthy Parental Bridges' delivered through a series of awareness workshops.

This initiative aims to:

- raise parents' awareness of early signs of mental health challenges among children.
- promote healthy and supportive home environments.
- equip parents with practical strategies to support their children's emotional well-being.

Please find the workshop details below:

Important Information:

- For this week, we will complete our learning online and at Al Ain English Speaking School (AAESS) this combines several complementary approaches to ensure learning remains structured, engaging and flexible.
- Learning will follow the normal school timetable, where possible, to maintain routine.
- Children will engage with live lessons which will be delivered by the teacher, recorded teacher inputs, and independent learning tasks which can be completed at a time convenient to your child.
- Offline tasks and movement breaks will be built into learning to support wellbeing and allow time away from the screen.

Year 2 learning:

Week beginning: Monday 6th April 2026

Maths	In maths, we will begin our <i>Shape</i> unit of learning. The children will start the week by naming a range of 2D shapes, including quadrilaterals, pentagons, hexagons, heptagons and octagons. They will explore the properties of these shapes by counting the number of sides and vertices each one has. The children will then have an opportunity to sort 2D shapes according to different properties, such as colour, size, and the number of sides or vertices. Following this, they will move onto recognising and naming 3D shapes. Finally, they will be able to explore and identify the properties of 3D shapes in more detail. This lesson will include mathematical language, such as 'edges', 'vertices' and 'faces'.
English	In English, we will use the plans we made last week to help us write our own version of <i>Alfie's Star</i> . The children will be encouraged to include capital letters, finger spaces, and full stops, as well as adjectives and other descriptive language in their writing. We will then move on to poetry. The children will listen to, read, and discuss poems about stars before trying to create their own poem at the end of the week.

AAESS Values

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan, we will focus on the value of **Respect** in Term 3. Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
