Year 5 Learning Pathway

Week beginning: 13.04.26

Dear Parents,

As we continue our journey through online learning, we are incredibly proud of the resilience and commitment shown by all the students. Logging in each day with positivity, our students have embraced the new way of virtual learning and have shown independence and creativity along the way.

We are grateful for the continued support of our parents and carers, whose partnership plays a vital role in the success of online learning. Together, we are ensuring that every child remains connected, inspired, and supported throughout this period.

To ensure your child is ready for online learning it is helpful to:

- Provide a quiet learning space – keeping distractions to a minimum.
- Encourage organisation and independence.
- Balance online and offline activities with regular breaks and movement.
- Make sure your child is well rested.
- Ensure they are ready to join the meeting at the correct time
- Provide your child with paper and a pencil to use during their lesson

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Wellbeing Wednesday

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:
Take a short technology break - close your eyes, stretch or walk around for three minutes.

WHY IT MATTERS:

Small breaks prevent digital fatigue, refresh your mind, and help you stay engaged with learning or work tasks.

Upcoming Events

In collaboration with the Abu Dhabi Public Health Center (ADPHC) and Sakina, ADEK is pleased to launch the 'Healthy Parental Bridges' delivered through a series of awareness workshops.

This initiative aims to:

- raise parents' awareness of early signs of mental health challenges among children.
- promote healthy and supportive home environments.
- equip parents with practical strategies to support their children's emotional well-being.

Please find the workshop details below:

Date	Topic	Language	Time	Meeting
13 th April 2026	Addiction and its impact on the Individual and Family National Rehabilitation Center	English	1.00 – 2.00pm	Microsoft Teams

Important Information:

- For this week we will complete our learning online and at Al Ain English Speaking School (AAESS) this combines several complementary approaches to ensure learning remains structured, engaging and flexible.
- Learning will follow the normal school timetable, where possible, to maintain routine.
- Children will engage with live lessons which will be delivered by the teacher, recorded teacher inputs, and independent learning tasks which can be completed at a time convenient to your child.
- Offline tasks and movement breaks will be built into learning to support wellbeing and allow time away from the screen.

Year 5 learning:

Week beginning: Monday 13th April 2026

Maths	In maths, we will complete the unit on area and perimeter with work on compound shapes. We will then move on to some revision of written methods with long multiplication (4x2 digit) and short division (4/1 digit).
Writing	For writing, children will explore different types of poem such as haikus and kennings, and the features of each. They will also continue learning about how to construct their own poems using rhyme and descriptive language,
Integrated curriculum	In topic, students will continue learning about far eastern countries, with a focus on Indonesia and Singapore. They will research and gather key information about the culture, geography, and people of these countries using a mind map, research sheet, or notes.
Science	This week, the children will learn to understand the function of muscles. They will also learn to accurately measure reaction times.

AAESS Values

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
