

Al Ain English Speaking School

Year 5 Learning Pathway

Week beginning: 20.04.26

Dear Parents,

We would like to extend our sincere thanks for your continued support over the past few weeks as we have delivered our distance learning programme. Your encouragement, flexibility, and partnership have played a vital role in ensuring that our students have remained engaged and motivated in their learning.

We are pleased to announce that the school will now be reopening for face-to-face teaching. In line with government protocols, and with all necessary health and safety measures firmly in place, we are fully prepared to welcome our students back to school in a safe and supportive environment.

In line with government protocol, the school is required to operate staggered start and finish times. **Year 5 Drop-off time is 7:30am at Gate B**, however the gate will be open from 7:05am. **Year 5 Pick-up time is at 2:30pm at Gate B**. Please note that parents are **not permitted** onto the school premises at any time. Staff will be positioned at the gates and will escort children safely to their classrooms.

Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Ms Carter (5A) - UKS2 Assistant Principal sarah.carter@cognita.com	Mr Porter (5B) Hedley.porter@cognita.com	Ms Ragee radgaonkar@aaess.sch.ae
Mr Wager (5D) Joseph.wager@cognita.com	Mr Jordan (5E) Michael.jordan@cognita.com	Ms Brown (5F) - HOY Hayley.brown@cognita.com
Mr Burger (5G) Andre.burger@cognita.com	Mr Moon (5H) Darren.moon@cognita.com	

Wellbeing Wednesday

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

**Listen to a calming sound or music
for two minutes.**

WHY IT MATTERS:

Music or soothing
sounds can help lower
stress and create a
sense of calm.

Important Information:

- For the next 2 weeks we will complete our learning online and at Al Ain English Speaking School (AAESS) this combines several complementary approaches to ensure learning remains structured, engaging and flexible.
- Learning will follow the normal school timetable, where possible, to maintain routine.
- Children will engage with live lessons which will be delivered by the teacher, recorded teacher inputs, and independent learning tasks which can be completed at a time convenient to your child.
- Offline tasks and movement breaks will be built into learning to support wellbeing and allow time away from the screen.

Year 5 learning:

Week beginning: Monday 20th April

Maths	In maths, we will complete revision of multiplication and division with work on factors and multiples. We will then move on to a new unit on angles by learning about classifying angles and measuring angles up to 180 degrees.
Writing	In writing lessons, children will be continuing their study of poetry. They will explore performance poetry, and how poetry can encompass a number of topics such as non-fiction, nature and music.
Integrated curriculum	In topic, students will continue learning about far eastern countries, with a focus on Thailand and Vietnam. They will research and gather key information about the culture, geography, and people of these countries using a mind map, research sheet, or notes.
Science	Next week, the children will be introduced to the circulatory system, where they will take part in an experiment to show how their heart rate changes when exercising. They will also be recording the height of a range of different ages to show how height changes as they get older.

Dear students, As-salamu Alaikum.

This week we will start a new lesson (Public Utilities) and our goals are:

1. Explain the concept of public utilities.
2. Cite examples of public utilities.
3. Demonstrate how to maintain public utilities.

A link to the lesson could be found [here](#).

AAESS Values

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
