Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesdays**, an initiative that will continue during Term 3 and is focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

Take one minute to notice and name your emotions honestly

WHY IT MATTERS:

Labeling emotions helps manage stress, increases self-awareness and allows you to respond rather than react to difficult feelings.
