## Year 5 Learning Pathway

### Week beginning: 18.05.26

Dear Parents,

In line with the UAE's commitment to national identity, community values, and appreciation of service, we are pleased to inform you that the primary school will be marking **Frontliners Celebration Day on Monday 18<sup>th</sup> May**.

This day provides an opportunity for our children to recognise and show gratitude to the UAE's Frontline Heroes; the individuals who work selflessly to protect, serve, and support our community. Frontliners in the UAE include those working on the frontline in healthcare, emergency and protection services, security and defence, and essential public services.

To mark this occasion, children are warmly invited to come to school dressed as a frontliner of their choice. This may be a simple outfit or accessory that represents a frontliner role (for example, a badge, uniform colours, or role-play clothing).

Please be reminded that our parent and teacher meetings are scheduled for this week on **Monday 18<sup>th</sup> and Thursday 21<sup>st</sup> May**. These meetings will give you an opportunity to discuss your child's attainment and progress this term. Our Arabic and Islamic department parent meetings are scheduled for the week commencing 1<sup>st</sup> June.

## Contacting Year 5 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

## Year 5 learning:

**Week beginning: Monday 18th May 2026**

|                       |  |
|-----------------------|--|
| Maths                 | In maths, we will complete the unit on position and direction with a lesson on reflection with coordinates. We will then review some topics from earlier in the year with lessons on cube numbers, decimals and long multiplication.   |
| Writing               | In writing, the children will be continuing to explore non-chronological reports. They will be focusing on identifying structural and language features, and then applying these to begin planning for a shared write next week.   |
| Integrated curriculum | Next week, the children will consolidate their learning about Far Eastern countries by making traditional craft items. They will use coloured paper, pencils, scissors, gluesticks to create a Chinese dragon, a Thai Krathong (flower boat), and a Vietnamese Non La (hat). |
| Science               | In science this week, the children will be starting a new topic of life cycles. To start their learning off, they will be introduced to different types of life cycles (simple and complex) before learning specifically about the life cycle of a mammal.                   |

## Year 5 PE Days:

## Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesdays**, an initiative that will continue during Term 3 and is focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

## Wellbeing Wednesday

Action:

Drink a glass of water slowly, paying attention to each sip.

### WHY IT MATTERS:

Staying hydrated supports physical health, gives a mindful pause, and can improve concentration and mood.

# AAESS Values

## Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** in Term 3.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others
