Year 6 Learning Pathway

Week beginning: 08.06.26

Dear Parents,

With the temperatures continuing to rise, please be reminded that your child will need to wear their hat to play outdoors with their friends. As it is important for the children to continue with their daily exercise, school staff will continue to encourage students to play in the natural or built shade environments around the school and provide alternative arrangements when the heat is excessive. Please continue to ensure your child comes to school each day with the appropriate **sunscreen applied**, a **hat** to play outdoors and a **water bottle**.

Please be reminded that the last official school day for students this academic year is **Friday 3rd July**. Academic lessons will continue with important learning still taking place up until this date. Any child who is absent due to an early holiday before this date will be marked as an unauthorised absence.

Our new academic year starts on **Monday 31st August** please ensure that you speak to registration if you are not already registered. On the **Friday 26th June**, all our registered students for 2026-27 will take part in a transition event to their new year group to help them become more familiar with the environment and teaching staff.

Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesdays**, an initiative that will continue during Term 3 and is focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

Wellbeing Wednesday

Action:

Try a simple journaling exercise: write down three small things you can control today.

WHY IT MATTERS:

Focusing on what you can control helps restore a sense of agency and reduces feelings of helplessness.
