## Year 6 Learning Pathway

### Week beginning: 15.06.26

Dear Parents,

Happy Hijri New Year. We extend our heartfelt wishes to those families celebrating this special occasion and hope this new year brings peace, prosperity and good health for you and your loved ones.

On the **Friday 26th June**, all our registered students for 2026-27 will take part in a transition event to their new year group. This will give the students an opportunity to become more familiar with the new environment and their new teachers.

## Contacting Year 6 Teachers:

We are always happy to support in any way we can, so if you have any questions or concerns please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. They may choose to read or respond outside of school hours but please do not expect it. Please also bear in mind that they will be teaching or in meetings during the school day (7.30am - 3.00pm) so will not be able to respond straight away.

## Wellbeing Wednesday

Our Wellbeing Committee is pleased to introduce **Wellbeing Wednesdays**, an initiative that will continue during Term 3 and is focused on building kindness and care across our school community.

Each Wednesday, a short wellbeing prompt will be shared with staff and students, encouraging one small action and a brief reflection on why it matters. These moments are designed to remind us that small intentional actions can make a meaningful difference.

## Wellbeing Wednesday

Action:  
Listen to a short guided breathing clip  
(1-2 minutes)

### WHY IT MATTERS:

Having someone guide you through a breathing or mindfulness exercise can make it easier to switch off from distractions and focus on the present moment. A short guided pause can help you feel more settled and ready to take on the rest of your day
