Year 3 Learning Pathway

Week beginning: 14.9.26

Dear Parents,

Thank you very much for your support over our first two weeks back. It has been wonderful to see how well the children have settled into school life, routines and learning. We appreciate your continued partnership in helping them make a positive start to the new academic year.

Please remember that punctuality is important. At the start of each day, the national anthem plays at **7:30am** followed by registration between **7:30am and 7:40am**. The first main lesson starts promptly at **7:40am**. At the end of each day, the gates open at **2:30pm and 3:20pm Monday-Thursday** and then **11:30 on a Friday**. The gates will remain open for **20 minutes**. For late pick-ups after this time, parents must use the main gate to collect their child.

Siblings over 15 years of age may pick up younger brothers and sisters from Y1–Y6 with signed, pre-agreed permission. No child below the age of 15 can collect siblings from class.

Our programme of Extra Curricular Activities (ECAs) will begin again this week and will take place from Monday to Thursday From **2.30pm to 3.20pm**. Please ensure that you collect your child at 3:20pm if they are attending ECAs.

Our first Primary Workshop and Coffee Morning will take place next week from **10:30am to 11:30am**. These will be regular monthly events designed to enable parents to connect, learn more about ways to support their child's learning, and enjoy an informal opportunity to speak with the Primary Leadership Team. Thank you once again for your cooperation and support. We look forward to working closely with you throughout the year.

Contacting Year 3 Teachers

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. Please bear in mind that they will be teaching or in meetings during the school day (7.30am - 2.30pm) so will not be able to respond straight away.

Year 3 Learning this week

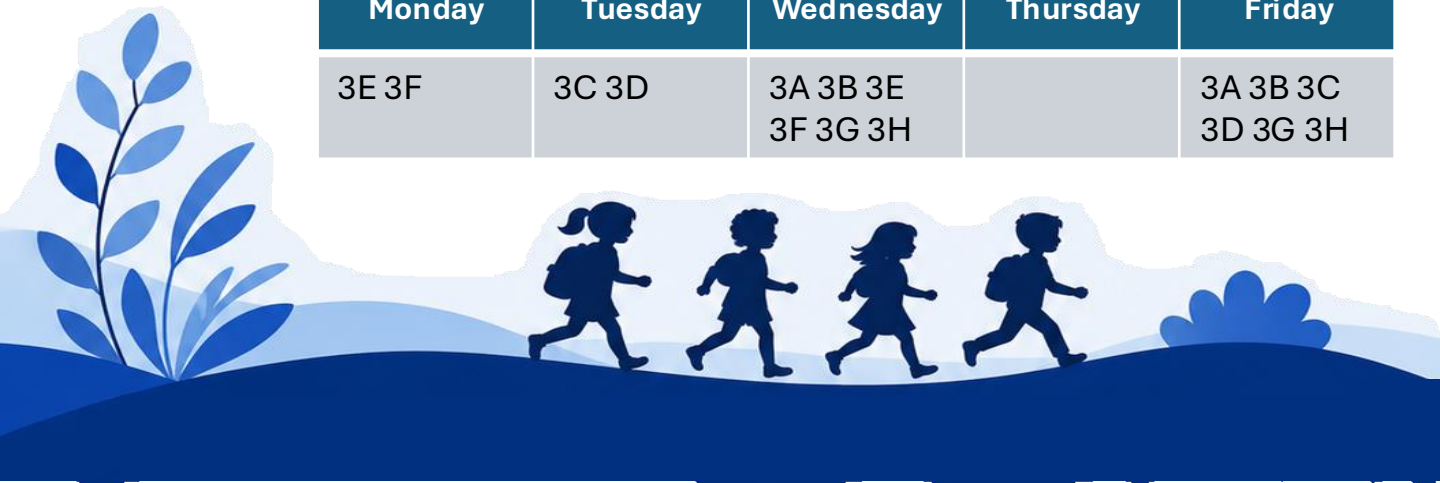

Week beginning: Monday 14th September 2026

This week, we will

English	We are excited to begin our new topic, ‘All Aboard the Greenship’ ! This half term, the children will explore our class text, <i>The Green Ship</i> by Quentin Blake, using the Talk for Writing approach. Through actions, repetition and oral retelling, the children will learn to confidently retell the story, develop their vocabulary and strengthen their speaking and listening skills.
Maths	Continuing place value, identifying 100s, 10s & 1s, to find 1, 10 and 100 more and less than a given number, to compare and order numbers to 1000.
Science	The children will plan and set up an investigation to explore what plants need to grow healthily. They will learn about the different parts of a plant and discover the important role each part plays. The children will then complete a Diamond 9 activity , ranking different factors from most important to least important to show what they think a plant needs to grow and stay healthy.
Integrated Curriculum	This week our lessons will have a Geography focus. The children will be learning to locate and name the continents of the world and the 5 oceans. In Design and Technology, the children will begin to design a sandwich. They will be tasting different breads, fillings and salad items to choose which items they would like to include in their design.
