

Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 19.10.26

Dear Parents,

We have had a fantastic first half term and the children have settled so well, and we would like to thank you for all your support during this first term. It has been greatly appreciated, and we hope you are able to enjoy some time with your family during the mid-term break.

Please be reminded that this term's **Mid-Term Break** will begin at **11:30am on Friday 9th October**. School will resume after the break on **Monday 19th October**.

Throughout the year we will have numerous events and workshops scheduled for the term and encourage you to participate. Please refer to the upcoming events section each week to ensure you stay informed and do not miss any of the important dates or times shared.

Punctuality is equally as important as attendance. Please ensure your child enters the school each day ready for the National Anthem being played at 7:30am promptly. Any primary students arriving after 7:40am will be required to sign it at reception.

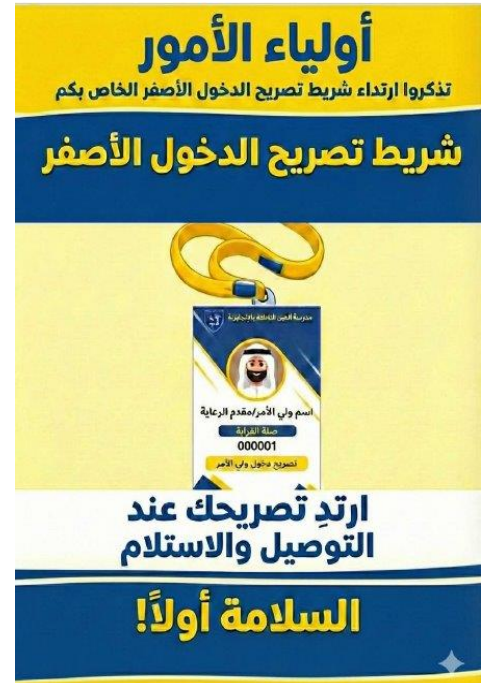

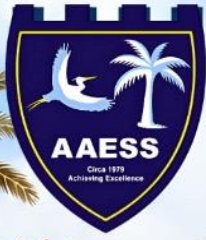

Parent Lanyards

Please be reminded that parents or carers of children in Primary will need to wear their permanent access pass to enter the school site and drop off or collect their children.

If you have not yet got your Yellow Lanyard, please complete the link below by 12th October

Our AAESS Values Focus

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others

Year 3 Learning this week

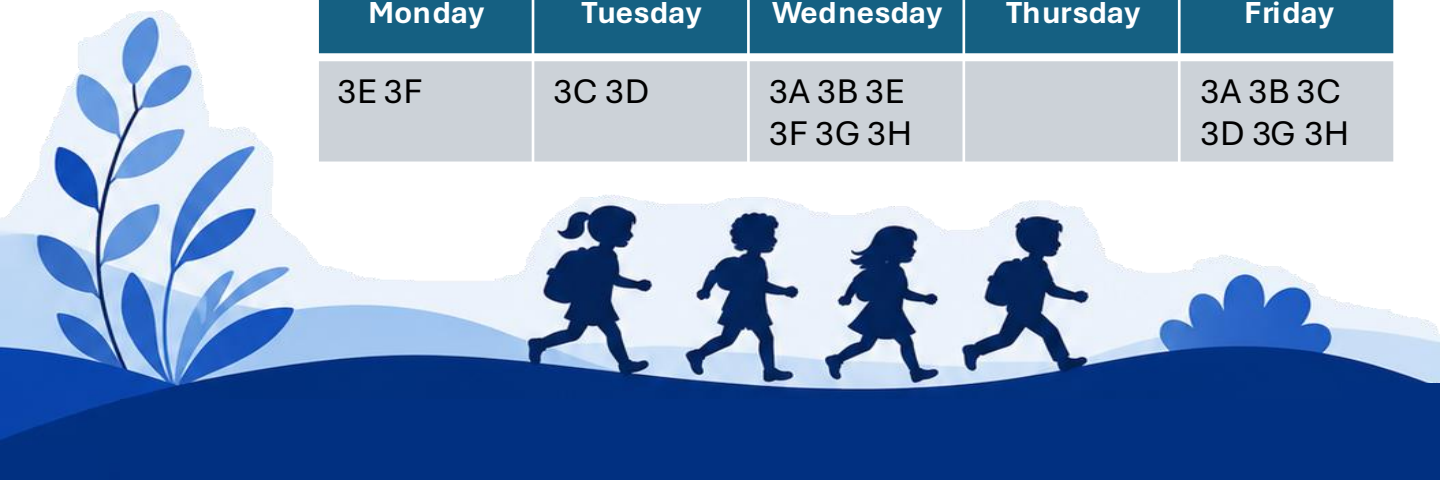

Week beginning: Monday 19th October 2026

This week, we will

English	In English, we will be beginning the Invent stage of Talk for Writing. The children will plan and write their own version of <i>The Greenship</i> , making more significant changes to the story than they did during the Innovate stage. They will be encouraged to use expanded noun phrases and prepositions, as well as applying correct punctuation throughout their writing. Children will also be taught how to edit and improve their vocabulary choices using a thesaurus.
Maths	In maths the children will be learning how to add and subtract using the column method. We will be completing some addition and subtract calculations with numbers up to 999. Once confident the children will use this method to solve missing number calculations and word problems.
Science	We will continue our topic on Plants this half term. We will begin by revisiting the questions from the Hot Assessment that the children found challenging, giving them the opportunity to review and consolidate their understanding. We will then focus on learning about the life cycle of a flowering plant.
Integrated Curriculum	Our new topic is Oasis in the desert. This week we will learn about the emirates and what an Oasis is. In art, we will learn how to draw an Oasis and learn about tone when creating a palm tree picture.

Student Health and Wellbeing

Wellbeing Wednesday

ACTION:

Check in with yourself today. Think of one thing that has made you feel good this week and one thing that has been difficult.

Choose one small thing you can do to support your wellbeing and make time for it.

WHY IT MATTERS?

When we notice how we feel, we can work out what might help.

Doing things that help us feel better is an important part of looking after our mental health and wellbeing.
